## WELCOME HOME!

. . . to all who have been out of the city for part or all of the summer months. Your church missed you while you were away.

Among our most faithful members are many of the public school teachers of the city and county, most of whom have been away during the vacation months. It is certainly good to have these fine public servants back in their places of responsibility in the church. These have an indispensable contribution to make to our society. We thank God for all of them.

Others have been visiting relatives and friends, touring the country and vacationing in many interesting places. With the coming of September and the opening of the schools, these have returned to add their presence and participation to our church life.

Too, we are glad to be able to say WELCOME HOME to our Pastor and his family. Dr. Skiles will preach in the three worship services on Sunday.

Now is the time for rallying all of our people for Christ and His church. New families are moving into the community every day. These and others need to be enlisted for Christian service.

## GOODBYE AND GOD BLESS YOU!

These are our sentiments to all of the young people who will be leaving soon for further preparation in the colleges and universities of the land. While we will miss all of them, we are grateful for the privilege which is theirs of continuing their education. From this group will come many of our church and denominational leaders of this generation. We shall be praying that their Christian faith will be strengthened and deepened during the school year.

**ALL WHO ARE GOING AWAY TO SCHOOL AND THOSE ENTERING PENSACOLA JUNIOR COLLEGE WILL BE RECOGNIZED IN THE SUNDAY EVENING WORSHIP SERVICE. ONE OF THIS NUMBER, ROBERT ADKISON, WILL BE LICENSED TO THE GOSPEL MINISTRY.**

### JUNIOR CAMP ECHOES

Those brown (or red) faces seen in the Junior department last Sunday were evidences of a fine program of recreation which the campers participated in last week at Camp Inky. 62 counselors and Juniors spent a delightful three days at the Girl Scout Camp. The food was wonderful, the fun was plentiful, K. P. was good, the spirit of cooperation excellent, and the inspiration will long be remembered.

It is hoped that the three days of camp this year can be lengthened to five for next year.

PERSONAL CONVERSATION—A little boy was saying his bed-time prayer in a low voice.

"I can't hear you, dear," his mother whispered.

"Wasn't talking to you," said the small one firmly.

Think! If there were just 100 real Christians this year to begin with and each Christian brought just one friend each year to know the Lord, the whole world would be at His feet in twenty-five years.

Are YOU serving Him in the capacity that He would have you serve? If not, covenant with God to serve throughout the coming year in any place that He may be leading you.

## COULD THIS BE YOU?

The Lord had a job for me; but I had so much to do.

I said, “You get somebody else, or wait till I get through.”

I don't know how the Lord came out; no doubt he got along;

But I felt kind of sneaking like—I knew I'd done God wrong,

One day I needed the Lord—needed Him right away;

But he never answered me at all; and I could hear Him say,

Down in my accusin' heart: “Child, I've got too much to do;

You get somebody else, or wait till I get through.”

Now when the Lord has need of me, I never try to shirk;

I drop what I have on hand and do the Lord's work,

And my affairs can run along, or wait till I get through,

nobody else can do the work that God has marked for you.

Harper was formerly a very faithful member of our church choir, and this church wishes to extend the deepest sympathy to members of his family in Waverly, New York.

## THE TRAINING UNION AND THE CHURCH

Jesus Christ committed to his church certain necessary functions. In Matthew 28:18-20 these functions are enumerated as follows: 1. Make disciples of all nations (peoples); 2. Baptize these disciples in the name of the Father and the Son, and the Holy Spirit; 3. Teach these disciples to obey all the commandments of Jesus.

Churches of the Lord Jesus Christ have been organized to carry out these functions. These churches have developed educational programs to teach people to become disciples and to teach disciples to live according to the pattern of the Lord. The Baptist Training Union is the primary method of the church for teaching the pattern of the Christian Life and for leading people to walk in it.

The training Union performs a vital service for the church. It produces leadership for church committees, and organizations, teachers for classes and counsellors for special activities.

Very generally the Training Union produces good stewards of possessions. Many surveys have indicated a very high rate of percapita giving on the part of the Training Union members.

Those who have participated in the studies and activities of the Training Union are loyal to the church. They understand the importance of the church in the mind of Jesus. They are familiar with its purpose and work in the world. They believe in the church and support its program.

Training Union members are missionary minded. One meeting each month is given to a study of the mission work of Baptists. This study results in concern, and concern results in action.

A good Training Union guarantees that the spiritual health of a church will be good. Each church member can become a better church member through membership in the Training Union.
