SUNDAY SCHOOL IMPROVEMENT WEEK

MONDAY -- FRIDAY -- 7 -- 9 P.M. -- NURSERY OPEN

TRAINING NEEDED

In wartime priority is given to training and equipping a fighting personnel. In a successful Sunday School, priority is given to the enlistment and training of a growing number of consecrated officers and teachers. This year we have enlisted some 200 men and women to serve in places of leadership in our Sunday School. Of this number some have taken the opportunity to train. When Jesus was here on earth, he enlisted 12 who were to serve as leaders; but he did not stop with the men simply as he found them. He set himself to the task of training the twelve. Our men and women who serve are the finest to be found anywhere, but we can never have too much Bible knowledge or know too much about Sunday School administration and teaching methods. If you have been enlisted in a place of leadership for this next year, won't you join with these already serving as we study next week. Books to be taught include:

"OUTLINES OF BIBLE HISTORY"

Tithing sets the tone for the stewardship of the rest of my money. I have a faint suspicion that if I stopped tithing my material "needs," my selfishness, and my money squabbles would increase.

Spiritually, I cannot afford not to tithe. It has increased my trust in God and my interest in His Kingdom's advance.

Perhaps I am not caching away my money for a rainy day, but I trust that my tithe, willingly given, is a more lasting and reliable treasure.
