## PEOPLE OVERFLOW AUDITORIUM

### OUR GUEST PREACHER

Our guest preacher Sunday evening will be one of our own members, Chaplain Robert Schwyhart, Senior Chaplain at the Naval Air Station.

Prior to coming here he was Divisional Chaplain of the First Marine Division in Korea. During that tour of duty he was awarded the Bronze Star, and received the Alexander D. Goode Lodge Award as Navy Chaplain of the year for 1950. He recently has received the Presidential Unit Citation Award.

Chaplain Schwyhart and his wife came into our fellowship last spring. They and their two fine children live on the Naval Base.

This will be our second opportunity to hear Chaplain Schwyhart preach in our church. He is also the speaker at this week's Sweetheart Banquet.

Our need for a larger auditorium was impressed upon us again last Sunday when the people overflowed the auditorium at the 11 o'clock service. The ushers are to be commended for their excellent work in seating the people and providing additional chairs for the aisles and vestibule. All of this, even though we had had a splendid congregation at the 8:30 service!

There is still room, however, at the early service. Plans for a third morning service will be deferred until the auditorium is crowded at 8:30 too. Why not bring the family to church at 8:30? Please note: The time for the service to begin is 8:30—not 8:45 or 8:50. Please make every effort to be present before 8:30. On cool mornings it indeed may take a bit of extra effort to be on time, but it will be worth it to you, to your fellow worshipper who is in his place when the service begins, and to your pastor.

### FROM OUR PASTOR'S PEN . . .

Sadness in our church family has been occasioned by the death of the first of our members to pay the supreme sacrifice in Korea. Lt. Charles Power was one of our finest young men. Sincerest sympathy goes to his wife and child. Likewise we remember his widowed mother in Jackson, Mississippi who lost another son in World War II. As we pray God's blessings upon these, let us continue to pray that peace may come and that right soon.

I shall leave Sunday afternoon for a brief stay at Southwestern Seminary and for the three-day meeting of the Golden Gate Seminary Trustees in Berkeley, California. Your prayers for the trustee meeting will be appreciated.

### SUNDAY ANOTHER "ROLL CALL" DAY

Why are we asking that our members sign a slip indicating their attendance in the Sunday services? Here are two of the several very good reasons which might be listed:

1. The most important reason is that our visitors, many of whom are prospects for Sunday School and church membership, will be much more inclined to provide the desired information if everyone is asked to participate. Experience proves this to be true. Look at it this way, when you, as a member, sign a roll call slip you encourage a potential member to become a known prospect.

2. By following this plan for a month, we will discover who is not attending the services. The purpose of this information is not to embarrass but to help. Perhaps extra effort can be made to enlist our fellow members who are not receiving the benefits of congregational worship.

With such excellent motives in mind, it does not seem to be out of order to urge all members who are present to respond to the "roll call." Only 80% of those in attendance last Sunday responded to the "roll call." Help make it 100% this Sunday.

## MISSISSIPPI COLLEGE CHOIR IS COMING

You will want to reserve Saturday evening, February 16, for the concert which will be presented by the splendid Choral Choir of Mississippi College. Two of our own young people, Doris Denham and Charles Deese, are among the forty-two members constituting the choir. The choir will also sing at the 8:30 service on the 17th.

Arrangements are now being made to entertain the choir in our homes. Those who will volunteer to take two or more boys or girls for Saturday night lodging and Sunday morning breakfast are asked to call the church office.
