PARADE AND REGISTRATION TO BE THIS SATURDAY, JUNE 7

All boys and girls (and parents with their cars) are asked to be at the corner of Palafox and Main (two blocks south of Government St.) Saturday morning at 8:30. The parade of children from some 40 churches will march up Palafox at 9:30. Our boys and girls will continue to the church for refreshments and registration. Everything will be completed by 11 o'clock.

Easy Undertaking

Soul-winning is the Christian's highest privilege, most natural impulse, most thrilling achievement and easiest undertaking!

Virtually every Christian will agree with the first three above assertions, but only the man who has won a soul will believe the fourth. The devil deceives the fearful, lazy, indifferent disciple into supposing that he either cannot win souls or that it is too difficult for him to undertake. The truth of the matter is that God supplies all the power in soul-winning, the Holy Spirit provides all the guidance, and the soul-winner is only the yielded agent. God is ready. The lost world is waiting. Are you willing?

—Roger D. Hebard

Nothing I Can Do?

Let none hear you idly saying,
"There is nothing I can do,"
While the souls of men are dying,
And the Master calls for you.

—Daniel March

A Way of Life

An outstanding Christian theologian recently made the following statement: "Instead of dogma, we must begin with experience and present Christianity as a Way of Life. We must show that religion as understood by Christianity is not organization but a new spirit that underlies all true life."

When we have experienced Christ, and gained that sort of understanding of Christianity as a Way of Life, we will have a vital, meaningful and dynamic faith which will always be more than sufficient for any situation we might face.

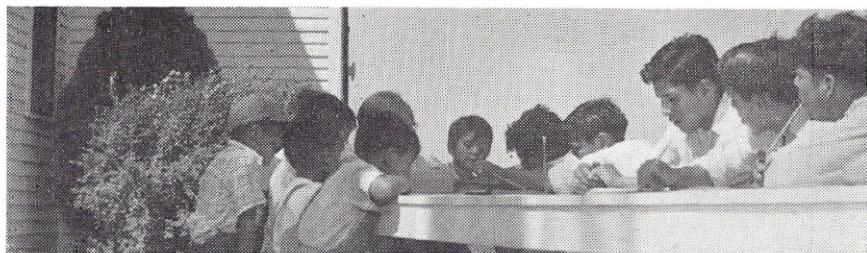

—Dupree Jordan

Christian Fellowship

Christians are like the several flowers in a garden that have each of them the dew of heaven, which, being shaken with the wind, they let fall at each other's roots, whereby they are jointly nourished, and become nourishers of each other.

—John Bunyan

INDIAN boys work on their notebooks in vacation Bible school. In 1951 there were sixty-seven vacation Bible schools for Indians attended by 5,291 boys and girls.

Security for Kingdom Servants

The facets of the work of the Relief and Annuity Board are many. Each of them reflects something of the beauty of that compassionate Soul whose name was Jesus, who in the days of his flesh, went about doing good. Taken together, they represent the Christ of the eternal ages, the same yesterday, today, and forever, who touched with the feeling of their infirmities ever liveth to make intercession for his own.

The Relief and Annuity Board, located in Dallas, Texas, serves a five-fold purpose in Southern Baptist life. For those who have labored in kingdom service, Southern Baptists extend the helping hand of the institution with its five fingers: relief to the aged, succor to the orphan, aid to the widow, assistance to the disabled and comfort to the retired.
