## FROM THE PASTOR'S PEN . . .

It is a joy to welcome Miss Betty Hubbard to our church as Director of Youth Activities, a position we have been seeking to fill for a year and more. We believe there was purpose in this delay, as Miss Hubbard possesses a variety of qualifications and talents which equip her in an ideal way for a ministry with youth. In addition, she will also serve as our church organist.

Miss Hubbard's office will be just inside the south entrance to the main church building. Her phone will be the same as the educational office—8-0779.

We wish to express appreciation to Mr. Herschell Pierce who has served as organist for the past year.

### IT HAPPENS TO EVERY PASTOR

"I stood at my study window watching the people as they came to church. Their very attitude was one of expectancy, and I said: "Oh, God, help me to break the 'Bread of Life' for these Thy people." My heart was warmed. I felt a spiritual uplift and was ready for the pulpit—when—like a plummet I came from the 'Mountain Top to the Valley'—Why?—I saw scores of our people walk away from the worship service of the church. And the tragedy of it all was that some of our Sunday School officers and teachers led the way.

"It was hard for me to believe—but it was true. My interest was aroused enough that I looked at some of our records.

"The record revealed that some of our teachers had not attended a worship service of our church this quarter. I was ashamed or afraid to look back further.

"Loyalty to your church is a first prerequisite for any teacher. Loyalty in attendance, loyalty in giving, loyalty in love, are all necessities. I sincerely believe that if you are in this group, you will change your record."

So writes a pastor in Florida. And this is the experience of many pastors. Put yourself in the window of the Pastor's Study just before 11 o'clock—or just before 8:00 in the evening.

## THE SURVEY BULLETIN

By J. P. EDMUNDS

Congressman Brooks Hays, Arkansas, Baptist layman, has presented to the 83rd Congress a Chapel resolution which, if approved, will provide a prayer room where members of Congress may retreat for prayer and meditation.

Drs. Hight C. Moore and Homer L. Grice have given their personal libraries to the Sunday School Board. They include many valuable and historic volumes and will be valuable for research work.

Oak Ridge atomic center is not only a "city of science," but a city of churches. It has 27 churches, or one for every 1,000

residents. Men famous in the world of nuclear physics are regularly engaged in preaching, teaching Sunday School classes, and filling other places of leadership in the 27 churches. Only established churches are permitted to own land in the atomic center.

Some parts of the Bible has been published in 1,059 languages and dialects, as of December 31, 1952, according to the American Bible Society. Ten new languages were added last year. The whole Bible has now been published in 197 languages.

## AROUND THE CORNER

Around the corner I have a friend  
In this great city that has no end;  
Yet days go by and weeks go on,  
And before I know it a year is gone,  
And I never see my old friend's face—  
For life is a swift and terrible race.  
He knows I like him just as well  
As in the days when I rang his bell  
And he rang mine. We were young then,  
And now we are busy, tired men—  
Tired with playing a foolish game—  
Tired with trying to make a name.  
"Tomorrow," I say, "I will call on Jim,"  
Just to show that I am thinking of him."  
But tomorrow comes and tomorrow goes—  
And the distance between us grows and  
grows—  
Aound the corner, yet miles away.  
"Here's a telegram, sir—Jim died today."  
And that's what we get—and deserve in  
the end—  
Around the corner—a vanished friend.

—C. H. Towne

## Keep The Bible Central

The way to keep religious education Christian is to teach the Bible as the Word of God. Until Baptists realize that their strength lies in the teaching of the Word, we will continue to substitute culture for conversion and will continue to depend upon man and his opinions rather than upon the Word of God, which is the basis of our faith and practice. We are utterly defenseless when we allow anyone to take out of our hands the sword of the Spirit which is the Word of God.

—R. Wilbur Babcock.

## What Have You To Live For?

The psychologist, William Moulton Marston, asked three thousand persons:

"What have you to live for?" HE WAS SHOCKED TO FIND that 94 per cent were simply enduring the present while they waited for the future; waited for "something to happen"; waited for children to grow up and leave him; waited for next year; waited for another time to take a long dreamed about trip; waited for someone to die; waited for tomorrow without realizing that all anyone ever has is TODAY . . . because YESTERDAY is gone . . . and TOMORROW never comes!!!—Copied.
