The Martinez Revival will continue through next Friday evening, August 28. The Lord is using this evangelistic activity to bless those in attendance. If you haven't been going—don't fail to attend during the remaining days.

The next activity which calls for church-wide participation is the Training Union Enlargement Campaign which gets underway Sunday afternoon, August 30. The campaign is already picking up momentum in our church and can mark the beginning of a new Training Union era if all of us will give it our unqualified and prayerful support. If you are not a member of the Training Union, we are going to do our best to get you to join sometime between August 30 and September 20. We hope to bring at least 200 new people into the Training Union—to enlarge our organization adequately to care for them—and to increase the interest and efficiency of our entire organization.

Begin now preparing for Sunday, October 4, at which time we will launch a program to raise at least \$150,000 over and above our regular contributions to insure the erection of our proposed new Sanctuary. We should not plan our contribution in relation to the total asked for in this campaign. If one person were to give the entire \$150,000 we still would need to put on a church-wide campaign for funds. The sky is the limit. We should give to the utmost of our ability to give. As I look back on my own experience, it is easy to see that the only money I have really saved is the little bit that I have put into a number of building programs. Invest in First Baptist. It is the soundest investment to be found anywhere, and will pay the richest dividends.

## THE SURVEY BULLETIN . . . . .

By J. P. EDMUNDS

Marvin E. Crowe, educational director of First Baptist Church, Abilene, Texas, has been elected administrative assistant to the Executive Secretary-Treasurer of the Baptist Sunday School Board. Before going to Abilene, Mr. Crowe was educational director of the First Church, Charlotte, North Carolina, and was former State Sunday School and Training Union Secretary of Illinois, and Training Union Secretary of Missouri.

One of the features of the Convention-wide R. A. Congress, to be held in Atlanta August 18-20, will be a two-hour parade of 6,000 Royal Ambassadors down Atlanta's Peachtree Street.

Kansas City Baptists are in the final stages of preparation for a campaign to be projected in 1954 for \$100,000 to be used as a permanent loan fund for the building of new churches and missions. The campaign, announced by W. T. Holland, general superintendent of missions for Kansas City Baptists, is the first phase of a ten-year program that may raise the loan fund to one million dollars.

Gideons International distributed more than 2,250,000 Bibles and Testaments during the past year. The total income of the organization during the year was \$1,388,810, most of which was spent in the purchase of Bibles and Testaments.

A breakdown of the 18,000 Protestant missionaries serving overseas in 1952 included 429 physicians and dentists, 1028 nurses, 64 medical technicians, 137 agricultural and rural experts, and 140 social service and philanthropic workers.

Plans are being made to erect a 100-foot statue of Christ in Corpus Christi Bay, Texas. When completed, at a cost of from \$100,000 to \$200,000, it will be the tallest image of Christ in the world. The next highest is the 98-foot Christus atop Corcovado Mountain overlooking Rio de Janeiro, Brazil.
