**A Dream Realized**—Next Sunday afternoon, at 3 o'clock, the Circle Baptist Chapel will have its first service. Brother Frank Bledsoe has been working hard to get everything in readiness for that momentous occasion. Let's pray for the work of the Chapel. Let's do all that we can to enrich and enlarge the ministry of that arm of our church.

**W.M.U. Installation**—At the 11 a.m. service on Sunday, the 1954-55 officers of our Woman's Missionary Union will be formally installed. Missionary endeavor is not just the task of women, but we appreciate the way that our women help to magnify the missionary opportunities of our church.

**Visitation**—Our visitation is beginning to "pay off". Thursday night of last week when we had our first heavy rain for a long time, we had six people to make profession of faith and six others to come into the church by letter. Those 12 came forward in the special service because somebody had gone after them. Four others came on Sunday, two of them by profession of faith. Remember: we plan regular visitation each Thursday.

**A Trend**—Some of us are quite concerned as a study of the evangelistic record of our church from 1948 until the present shows a continuing downward trend in the ratio between church membership and evangelism. We point this out, not to be pessimistic, but to be realistic as we face the future. What is the answer? More Sunday School classes, more visitation, more prayer, more Bible teaching, more faithful Christian living. The arm of the Lord is not shortened. He is still able to save. His plan is still to use men and women as instruments in reaching others. Our opportunity is all about us, let's get to the task!

**Promotion**—Always at promotion time some changes take place. Praise God for the people who are not so anchored to custom, habit, convenience, and tradition as to lose the opportunity for growth and expansion! Praise God for the people who know how to make and accept changes in the Spirit of Christ! Praise God for a church that is busy advancing to big tasks instead of wasting its energies fussing over little nothings! It was quite a change for Jesus to leave Heaven and take on the form of a man, but He did it for the glory of the Father and the blessing of man.

SUPERINTENDENTS  
MEETING  
TUESDAY, 7:30

On next Sunday morning, classes will be appointing Nominating Committees. These committees will report to the classes on Sunday morning, October 3rd, and class officers will be elected.

Young People's and Adult classes are reminded that the plan of class organization adopted last year calls for the following officers:

President, Vice-President, Secretary, Group Leader (one for each four members).

We would like to suggest that Wednesday night would be a good time for Nominating Committees to meet. At the close of the General Period at 6:40 we will have a brief period of instruction for these committees before they meet.

### SECRETARIES MEETING

Next Wednesday evening we are asking that all Secretaries meet at 6:45 for a period of Instruction on our new record system.

# Training Union

## Leadership Supper

On next Monday night at 6:30 o'clock we are having a Training Union Leadership Supper. Every church-elected Training Union officer is urged to be present. This means General Officers, Department Officers, Leaders and Sponsors.

The purpose of this meeting is to plan our work for the new Training Union year.

## Training Union Study Course

Every member of our Training Union will want to reserve the week of October 4-8 for our week of training in methods.

A splendid faculty has been secured and we want every member of our Training Union to avail themselves of the opportunity to grow. Our schedule for each evening will be: 7:00 - 8:30 Class Period

8:30 - 9:00 General Feature Period

On Monday night, October 4th, we will begin with a "Kick-Off" Supper at 6:30 for all who can come. During the week, time will be given for Program Planning.

## Election of Officers

Next Sunday is Promotion Day in Training Union. Nominating Committees will be appointed next Sunday night. These committees will meet during the week and officers will be elected on Sunday, October 3. This will mean that a temporary group captain will be appointed to plan the program for that Sunday night, October 3rd.
