HELP IT GROW!

Viewpoint

By NATHAN C. BROOKS, JR.

WELCOME HOME!—We are glad to welcome home Mr. and Mrs. Brentwood Bryan who have been in Alaska and Major and Mrs. J. Lee Booker who have been in Japan.

Dr. Rousseau has written a Christmas message from California. He indicates that he finds it impossible to write a personal message to all of the Pensacola friends who have been so gracious at this season. He wishes to say "Thank You" through these lines.

Gratitude!—Again we find ourselves trying to express appreciation to you for being you. Like Dr. Rousseau we want to let these lines say "Thank You" for all of your Christmas remembrances.

Purchase Order System—After the first of January any purchase made in the name of the First Baptist Church should be accompanied by a signed purchase order secured from the church office. Mrs. Sutton will serve as the authorizing agent. This new system is not designed to hamper any legitimate operation of the church, but is to enable the office to keep an accurate record of all purchases. Your co-operation in securing a proper purchase order will help.

1954 Financial Records—The 1954 financial books will be kept open until January 10th. Any gifts to be credited to your 1954 account should be made by that time.

Evangelism is a major emphasis of our church. Let's not forget to witness at this Christmas season.

Directors Elect Officers—When the board of Directors of the Church Corporation met last Monday p.m. the following officers were named: Dr. W. H. Coker, President; Mr. Mose Penton, Vice President; Mr. Paul Caro, Treasurer. In keeping with the action of the church the Directors instructed the officers to sign the Loan and Binding Contracts. Now we will be legally ready for Ground Breaking, 10:55 a.m., January 2nd.

The Lord's Supper will be observed the second Sunday in January.

BIBLE STUDY WEEK

JANUARY 3-7, 1955

Adults will study: "Studies In Hebrews," taught by the Pastor. Other books for other age groups.

CHAPEL CHIMES

A good deal of sickness and some holiday trips have hit our attendance pretty badly at the Chapel. Sunday we had 61 in Sunday School, a drop of 10 from the past week. Our average attendance for December stands at 62, which is far below our goal of 100. Training Union reported 23 in attendance on Sunday night, an increase of one.

We are looking forward to a big year in 1955. Already in view are steps toward a visitation program, the organization of auxiliary groups for boys, girls and ladies, as well as a Brotherhood for the men, and the extension of our building for some much-needed space. Our resolution for the New Year is to Go, Give, Grow and Sow. With the Lord's help we will win many victories for Him.
