## THIS FIRE BRINGS OPPORTUNITY

Look at a half glass of water! The pessimist says that it is half empty. The optimist points out that it is half full.

Look at the picture of the burning building at Stetson. Some will say, "Tragedy"! Florida Baptists are saying, "Opportunity"!

On Easter Sunday we will join other Baptist churches in the state in an effort to build a new Food Facility for Stetson University. The State Goal—\$175,000. Our Goal—\$2,000.

**Register**—A Christian should be a good citizen of his state and community. I consider it my Christian responsibility to register at the City Hall, so that I may take part in the coming election. You can do that now... Later you may wish that you had, only to find that it is too late. Let's encourage all qualified citizens to register to vote.

**Annie Armstrong Offering**—The month of March is almost past and the completion of the 1955 Annie Armstrong Offering should take place by the end of the month. Under the leadership of our Woman's Missionary Union a gift of \$674.00 has been made thus far for this Home Mission project. Additional gifts can be placed in the offering Sunday by making an envelope "Annie Armstrong." Our goal is \$1,000. Let's go beyond the goal as we did for the Lottie Moon Foreign Mission Offering.

**Library**—Just a reminder that you can secure good reading material from your Church Library. Have you used it lately?

**Summer Plans**—I am happy to know that a number of our people are making plans to attend Ridgecrest this summer. Several of our boys are to be at Camp Ridgecrest. Others will attend the Assembly at Ridgecrest. As you look toward the summer, be sure to include Panama City, Ridgecrest, or Glorieta in your schedule.

**Christian Parents** always follow the development of their children with prayerful interest. Several of you have commented about the picture of Nathan III in last Sunday's paper. The Mars Hill College News Bureau sent out the article which appeared locally. Naturally, as a father, I have been pleased: (1) that God has called our oldest son to the ministry; (2) that he has been selected on his school campus to direct the Training Union work next year; and, (3) that he had the privilege of editing the freshman edition of his school paper.

All of us are humbled as parents when we think of how good God has been to entrust us with young lives. Let us pray for and encourage one another to be faithful to God as parents. We have not succeeded in life, whatever else may be true, unless we have succeeded in being good parents. And that is not easy!

**Music and Personnel Report**—The Music and Personnel Committees made a report to the deacons Wednesday night. And next Sunday morning the church will have an opportunity to extend a call to a full time music director.

## CHAPEL CHIMES

Things are buzzing busily around the Chapel every Sunday. To those passing by about 9:30 of a Sunday morning, the many cars and the crowds of people around the Chapel are a sure sign of a growing church.

Among the 101 present in Sunday School were three new members, bringing our total enrolment to 143. We now have three adult classes, and two primary classes, in addition to the regular classes of the other age groups. Two classes are meeting in homes, one in an automobile, four in the auditorium, and beds have been moved from the nursery to make room for another primary class. In growth there is both joy and heartache.

The church welcomed Miss Gloria Fowler, 206 N. Warrington Rd., into its fellowship by transfer of letter. We are happy that Gloria has found a church home in this city.

## LOST BIBLES

There are a number of Bibles which have been left in the church building. Some of them have been here for weeks and months.

These Bibles have been placed on a table in the hall just outside of the Lower Auditorium on the first floor. If you have lost a Bible, please take time to look through this group. Those not claimed will be given to someone who can use them.

## NORTH HILL

Our church last Wednesday Evening voted to accept the North Hill Church as a Mission. Their acceptance of our offer and legal details are still to be completed.

# Sunday School

## ATTENDANCE LAST SUNDAY

Our Sunday School attendance last Sunday of 1171 was less than our goal of 1260. We will want to work harder and visit more for Sunday.

Our Goals for the remaining three Sundays in our effort to CROWN HIM LORD" are:

March 27—1323

April 3—1389

April 10—1458

We Can, If You Will.

## OUR VISITATION PROGRAM

We want to see our VISITATION PROGRAM continue to grow, both in the number of people participating, and in the results accomplished.

More of our people, more of our classes, more of our departments, ought to join in this effort.

Plan to visit next Thursday!

There were about 100 men present for the Brotherhood Meeting on Tuesday Evening. Everyone present enjoyed the music presented by the group from First Baptist Church, Milton, and the message by Rev. Joe Bamberg. It was good to have them with us.

And, it was good to see so many of our men present. There were seven men from the Circle Baptist Chapel. Already they are planning to organize a Brotherhood there.

Our Brotherhood approved plans of the Boys' Work Committee to send a group of our Ambassadors to the Royal Ambassador Congress to be held in St. Petersburg April 15-17.
