"STETSON OFFERING"

# Viewpoint

By NATHAN C. BROOKS, JR.

**History** is waving at me on every hand here in Washington, Georgia. This is the oldest association in Georgia. This church is 20 years older than ours. It has been served by such pastors as Jesse Mercer, H. A. Tupper, and Dr. Homer Grice. There are more old white columned homes here than I know in any similar population. And the church made history when it began revival services on Friday night with an unusually large crowd in attendance. I appreciate your prayers for the meeting here.

**A Request**—The following lines, addressed to us by Mr. Woodrow J. Soderlind on behalf of the Knights of Columbus, should receive our full cooperation:

"The parking lot is always available to the members of your congregation except at times when we have planned affairs. On these occasions we will place 'No Parking' signs in the driveway.

"To conduct a more orderly system of parking on our premises, we will appreciate your advising them to park vertically to the west property line leaving all driveways open. This will avoid confusion."

We are grateful to the Knights of Columbus for their kindness.

**Our Best**—I am counting upon members of our congregation to do the very best possible in the Stetson University offering next Sunday. Christian Education is a vital part of our denominational program, along with Missions and Evangelism. Let's really reach for that goal of \$2,000.00 for our church.

**Prospect Supper**—The Lord has blessed us in our previous "Prospect Suppers". A vital part of Youth Week will be the supper and service on next Thursday night. Young People can help reach their non-Christian friends by bringing them to this supper. The preaching hour at 7:30 p.m., Thursday, will be aimed at Youth. Perhaps nothing will reveal so completely the depth of our Youth Week activities as what happens Thursday night.

**A Gift**—Brother E. W. Sudduth is making a gift to the Pensacola Bay Baptist Association of a plot of land between the Fort Walton highway and the Sound. I believe it is about 1,600 feet deep and 300 feet in width. It will be used for an associational camp. While it has not yet been officially named it will probably be called Camp Ada in memory of Mrs. Sudduth.

## **A PROBLEM IN ARMY STRATEGY**

Did you ever hear of any army that fought only in the mornings, then all the officers retired to dinner at 1:00 o'clock and spent the afternoon and evening forgetting the army and their posts of duty? How can an army fight in the afternoon and evening unless the officers are at their posts of duty? How is it possible for a general to lead an army in the afternoon and evening without officers? I suppose the same question could be asked about the great evangelistic army. We are soldiers of the cross. Aren't we soldiers all day and all night? Should the hymn read, "Am I a soldier of the cross in the morning only?"—Copied.
