# *Viewpoint*

By NATHAN C. BROOKS, JR.

And Now Victory Day is upon us. All together! Let's do our best to the glory of God! Here are some questions that may be on your mind, and the answers that I would make:

1. Should I pledge a tithe of my salary to the regular budget? That is what our family is going to do.
2. Does this mean that all of the family can share in the pledging? Yes! We have one income, and all of the family will share in pledging a portion of the tithe to the budget.
3. Will each member of the family be considered a tither? Yes! All are contributing tithed money, and each one will check the tither's box on the pledge cards.
4. What about your special Building Fund gifts? We have settled that together. Each of us will pledge our building gifts beyond a tithe of our salary. Our total building pledges will amount to more than one-half as much as the budget pledges.
5. Suppose you find that you can not meet your pledges? We realize that life is filled with many uncertainties, but we are ready to trust God. In the past we have borrowed money for schooling and to care for medical expenses in emergencies. If it should become necessary, we will borrow money to care for our special Building Fund pledges.
6. What about the member of our church who is not ready to follow you in what you are doing? That is a matter that each member of the church will settle with the Lord. We wield no compulsions except the constraints of love. On the other hand, a number of our members will find themselves able and willing to attempt much more than a tithe of their income.
7. Do you believe it possible for us to reach our goals? Certainly, if every member will do his best as the Lord leads. Everyone of us is needed, however. There is no place for "hitchhikers" if we are to honor God with a victory.

### NORTH HILL NARRATIONS

Excellent progress is being made on our new building this week and how grateful we are that it will soon be completed and available for our use. We are looking forward to a wonderful day Sunday when our people at North Hill bring in their pledges for both the unified budget and the building fund. We are grateful for the foresight and vision of the membership of the First Baptist Church in making this new building possible and we are challenged to bear our portion of the load in paying for it.

Our chapel is in need of a refrigerator, a stove, a sink and a piano for our new building and we would be grateful if some one who has either of these would donate them to our church. We hope that all the members of the First Baptist Church will come out and see our new building. Your hearts will be thrilled.

"O give thanks unto the Lord; call upon his name; make known his deeds among the people."—Psalm 10:1.

### MUSIC NOTES

During the next several weeks we are going to try to answer some of your questions, either spoken or unspoken, concerning the graded Choir Program in our church. Consider these suggestions carefully and try to determine how they may be applicable to your own life and to your service to our church.

#### WHY GRADED CHOIRS?

1. Graded choirs challenge youth to work in the church. The frequent appearance of the various choirs in church services foster a church-attending habit. Such appearances develop in youth a sense of responsibility to the church.

2. Graded choirs teach reverence and worship. The wise and thoughtful director will instill into the minds of his youthful choristers how they should prepare and present themselves for worship.

3. Graded choirs teach habits of correct singing. Beauty and quality in adult voices may be assured by the establishing of correct singing habits as children.

4. Through the graded choirs fundamentals of music can be taught. The basic elements of notation, rhythm, ear training, sight-reading, etc., can be gradually taught to all choir members over a period of time.
