# Viewpoint

By NATHAN C. BROOKS, JR.

**A Good Beginning** has been made in our new Associational year. During the five Sundays we had 42 additions to our church, including seven professions of faith. Our total contributions came to more than \$24,000 dollars. It is encouraging to see the people responding to the leadership of the Lord.

Lakeland will be the meeting place of our Baptist State Convention next week. I expect to leave Pensacola Sunday night on the Gulf Wind in order to attend a committee meeting in Lakeland at 4 p.m. Monday afternoon. Remember to pray for this important Baptist meeting. Also, bear in mind that our church is extending an invitation for this Convention to come to Pensacola in 1957.

**Press Reports** recently have told of the action of Baptist Associations in Texas and New Mexico that have received Negro churches into their fellowship. The Ebeneezer and 19th Street Baptist Churches, in Austin, have been accepted by the Austin Baptist Association. Similar action has been taken by other groups in Las Cruces and Albuquerque. Texas Baptist Students sponsored an inter-racial meeting in Waco some days ago, and the North Carolina W. M. U. is sponsoring several inter-racial institutes in that state. I feel confident that leaders in all of these states are seeking a positive approach to mutual problems. Let us pray for the Lord to give them practical wisdom.

## Music Notes

November 20 is Choir Dedication Day. In the evening worship service all choirs will dedicate their talents and time to the service of the Lord and to the work of our church. Mothers can make this a meaningful experience by making it possible for the children to be present at rehearsals. Each choir will sing two selections after it has made its dedication. **YOUR child NEEDS to be PRESENT!**

### WHY GRADED CHOIRS?

Graded choirs present opportunities for teaching the great, deep, and abiding hymns of the church. This is a phase of church music appreciation, understanding and participation that has been woefully neglected in many of our churches. The great hymns afford excellent opportunities for presenting beliefs and doctrines vital to Christian life.

Graded choirs develop singers for future choirs. Children who are trained for work in the church put the church foremost in their responsibilities. The learning of correct vocal habits, training for responsibility in contributing time and talent to the church, and the knowledge of the ideals of worship assure a co-operative and fruitful program in the future.

### PLACES FOR SERVICE

"We long to cross the ocean,  
To serve on foreign shores,  
When all around us here at home  
There are lost ones at our doors.  
We talk about the heathen,  
And foreigners o'er the sea,  
But men are waiting everywhere  
A world from you and me.  
A word that will tell of Jesus  
And His love for fallen men;  
A love that will save to the uttermost  
All who will come unto Him.  
No, we cannot all serve in China,  
Or other foreign shores,  
But we can tell of Jesus,  
To those about our doors."

### BROTHERHOOD MEETING

### NORTH HILL NARRATIONS

With continued good weather our new educational building should be completed this week. The men of our Brotherhood will assume the responsibility for the completion of the interior and this work will be completed just as soon as the necessary building materials become available.

We had a good day Sunday with 100 in Sunday School and with 57 in Training Union. Our worship services have been blessed by good attendance and our choir has shown much improvement during the past weeks.

A definite date for our revival has not yet been set as there have been several problems connected with it that we have been unable to overcome. We hope, however, to announce the date in the immediate future. This is truly the greatest need of our chapel—a spirit-filled, heaven-sent revival. We have a wonderful opportunity to win a multitude of souls to our Lord and we believe that this can be best accomplished through a revival.

“ . . . There cometh one mightier than I after me, the latchet of whose shoes I am not worthy to stoop down and unloose. I indeed baptize you with water; but he shall baptize you with the Holy Ghost.” Mark 1:7-8.

### CIRCLE CHAPEL CHIMES

"Bless the Lord, O my Soul; and all that is within me, bless His holy name."

The Lord is leading in a marvelous way at Circle Chapel during these days. A great spirit is evident among the people, and enthusiasm for the work is growing.

Our budget and building pledges continue to come in a gratifying way. We are getting closer and closer to our total budget each day.

Our building will soon be ready for complete use. We plan to have a great service of dedication when it is ready. Pray with us that the needed materials will soon be in hand.
