Viewpoint

By NATHAN C. BROOKS, JR.

Crime — "Not failure, but low aim is crime"! I used to hear these words from my mother when I was just a boy. We committed no crime by failing to contribute the total \$28,000 in cash for our Building Fund last Sunday. The crime will be in failing to press on to complete the matter of taking care of all of our current Building Fund obligations NOW. So, all of those who missed the joy of having a part last Sunday can still have the privilege NOW of making their gifts. Let's not wait! Let's finish the task! We still need \$9,794.69 to reach our goal.

I Am Proud of the example set by some of our people in their gifts last Sunday. One college student whose wife is working to support the family sent \$50.00. Two other young men away from home sent \$25.00 each. The widows of our church shamed some of the rest of us with their contributions. Such love and devotion will continue to bear fruit in the life of our church.

Our "Home Folks Revival" is almost upon us. You'll do your best: in attendance, in witnessing, in prayer, in personal living, in filling the pews. God expects much from us!

Sunday School

Our Sunday School Department Superintendents are making plans for a special attendance effort for the ten-week period beginning on February 17, the opening Sunday of the Revival, and climaxing on Easter Sunday.

Each Department has been asked to set three goals for this ten-week period:

- (1) A membership attendance goal
- (2) New Members
- (3) Average attendance goal

Let's make our plans to "FILL EVERY CHAIR" in our classes and departments.
