## Until Right Is Ready

A much impressed tourist from Seattle, traveling through the great Southwest, said that he didn't think we needed to worry about Russia as long as Texas is on our side. We'll need Texas—and then some. We'll need wisdom, and patience. We'll need to watch for Communist traps—traps baited with tempting, but tricky, promises — of peaceful intentions, of revised objectives, of proposals for world disarmament. We'll need the good sense to refuse to play peekaboo with those who would pull the wool over our eyes. Russia has proclaimed her ambition to rule the world, in words as clear as Hitler's. She has instructed her operators to lie whenever necessary to achieve her ends. Drunk with success, she is on the march. Two things alone can stop her—might and right. Nearly two centuries ago, Joseph Joubert, long-visioned thinker of his time, declared that "Might and right govern everything in this world; might until right is ready."

By NATHAN C. BROOKS, JR.

Miss Winona King, who has been serving as our Financial Secretary, has tendered her resignation to become effective May 1. She is certainly going to be missed in the office. Her interest in Christian work has not diminished in the least. She prefers to work in a capacity that will leave her free for more "creative service". Our prayers will follow her into whatever doors of opportunity the Master opens.

**The Ordinance of Baptism** will be observed next Sunday night at the evening service. Candidates will meet the pastor in the Church Office at 6:40 p.m.

**The Music Committee and Church** are grateful to Mrs. Martha Parker for the service that she has rendered as Interim Music Director. She has found that she can not continue in this capacity. She has called upon Commander Jesse Miller to assist her for a part of the time that she has had the responsibility. The Music and Personnel Committees will bring a recommendation to the church concerning our music program.

**I Am Grateful** to all of the Youth Week Officers for the fine service they rendered last week. The real test of Christian leadership and service is over "the long pull". The tortoise won the race over the more spectacular hare. The real results of Youth Week are to be measured in terms of the faithfulness and usefulness of our Young People all during the year at all times. I am confident that our youth will measure up well over "the long pull".

**This Easter** we are planning for only one morning worship service—at 11:00 a.m. In the event of an overflow audience there will be plenty of space in Adult A and Adult B. The Ushers will help to seat those who may find it necessary to worship with the "overflow" audience. If our attendance seems to demand it, we will plan for two morning Easter worship services next year.

**Remember**—Cradle Roll Sunday, May 5. We will plan a service of public dedication for parents and babies on that Sunday. Mother's Day, May 12. We will receive a special Baptist Hospital Offering that day.
