## The Count Down Has Started

falling by the wayside.

The count down for the year 1960 has begun. Eleven more months remain in which we will have the opportunity to grow spiritually and to serve effectively. If you are not happy with your spiritual achievements for January, let me encourage you to redouble your efforts rather than

## Money Matters

I trust each one of us will make a special effort to be faithful in the financial support of our church. The Bible plan is for each one of us to bring God's tithe into the storehouse on the first day of the week. Please, friends, let's not fall behind. When we do so, God's work suffers.

## Napoleon Said . . .

It was the great strategist, Napoleon, who once said, "There comes a time in every battle when the victory can go either way, depending on the dedication and determination of the soldiers." As we face these opening months of 1960, I am profoundly impressed that we have come to that place in the life of our church. Your undivided allegiance will assure victory. "Be thou faithful unto death, and I will give thee a crown of life."

## New Members Class

The new members class which will begin this Sunday evening, will prove to be a great blessing to the life of our church. It will be most worthwhile not only for the new people coming into our church, but for all those who are not, at present, attending the Training Union. Mr. Bizzell is an excellent teacher. He will be leading this study.

Faithfully yours,

*James L. Preitz* Pastor

## NEW MEMBERS CLASS

We are beginning next Sunday a New Members Class especially designed for every new member who unites with our church. It is our hope that every new member who has joined within the last year and has not attended a New Members Class will attend these special classes for the next seven Sunday evenings. This will be an orientation class during which we will touch briefly on Baptist doctrine and policy, the history and ministry of the First Baptist Church and other matters of importance.

In addition to new church members, it is believed that there are two other groups who might profit from attendance of these sessions: (1) Any church member not enrolled in the Training Union; (2) Those persons who are considering uniting with our church.

It is our plan for this sort of class to be offered continuously. We are very anxious for this first series to get off to a good start next Sunday.
