## YOU NEED OUR CHURCH

"I was glad when they said unto me, Let us go into the house of the Lord." Can you truthfully make that statement? Our services are growing in power and in attendance. All of us like to belong to organizations that are doing things. Our church is in the biggest business of all — carrying on God's work.

Do you just belong to our church or are you really a part of it, and is it a part of you?

"Our church stands for everything good;  
Our church is against everything bad.  
The church is God's right hand; I ought to take it;  
The church preaches God's Word; I ought to hear it.  
The church is God's schoolroom; I ought to learn there.  
The church is God's vacuum cleaner; my soul needs cleaning.  
The church is God's crossing signal; my dangers are many  
and I need the warnings.  
The best people go to church.  
The best book—"best seller"—is read at church.

At church

Our sorrows are explained,  
Our hopes are brightened,  
Our vision is lengthened,  
Our faith is strengthened."

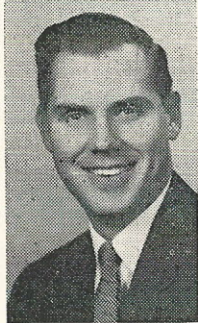

Won't you promise Christ, your Saviour and Lord, that you will attend faithfully and regularly.

## THE KING'S BUSINESS AND FIFTY-DOLLAR BILLS

Think of it — you can keep all the fifty-dollar bills you can tape to a wall in seven minutes! The contest is being sponsored

by one of the transparent tape companies. Evidently they are confident that their product will hold fifty-dollar bills or what have you. (Some of us have been using their product for years but have never been called on to tape a fifty dollar bill to a wall.)

Of course this contest is being sponsored in an effort to sell more tape. They will need to sell a lot of it at twenty-nine cents a roll in order to cover the cost of this promotion. I believe I could tape a small fortune to a wall in seven minutes at fifty dollars a stick.

I wonder just how the person who wins the contest will arrange the bills. Will he tape them across the wall, or up and down the wall, or on top of each other? In all probability we will never know. However, there is one thing that you can be absolutely certain of; regardless of what pattern he used, he will stick the bills to the walls as quickly as possible. Time is all important. It could make the difference between a small amount and a sizable fortune.

The Bible makes it perfectly clear that the King's business requires great haste. This is one thing that must be done with dispatch. It must be given the place of supreme priority.

All of us are still rejoicing over the fine revival we had here in Pensacola. In thinking about the task before us, I realize and sincerely pray you realize that **THERE IS STILL MUCH TO BE DONE.**

Throughout his ministry Jesus worked with a sense of urgency. Surely He is seeking to speak to us about the need for the same sense of urgency in doing the work of the Lord. "I must work the

There are as many people, if not more, to be reached in our community for the Lord than there were prior to the time of our revival. We must go all out in reaching them for our Saviour.

I am going to do my best between now and Sunday to reach someone for the Master, will you?

It's wonderful to be home. God blessed our efforts in the Hot Springs revival. I thank God for a church willing to share the ministry of their pastor with another congregation.

Meet me in the Meeting House on the Lord's Day.

Faithfully your pastor,

## OF INTEREST TO BAPTISTS

EXCERPTS FROM "Communism in The Churches," by Bradley Pope, Pastor First Baptist Church, Shelby, Mississippi:

We have heard a lot of talk in recent days about Communist infiltration into the churches.

I HAD NOT THOUGHT TOO MUCH about the possibility of such infiltration until I looked around. I'm sorry to report that there are unmistakable signs that Communist doctrines have captured the minds of some church people. It is much more subtle and dangerous than we have recognized. I feel it is my duty to warn.

COMMUNISM HAS ALWAYS BATTLED for the minds of men. It has always infiltrated into vacuums — intellectual, economic, social, or religious. Communism has always thrived on ignorance, making its greatest inroads into areas where the people were uneducated and dissatisfied.

WHEN PEOPLE FAIL TO EDUCATE themselves in the things of God and in the principles upon which our country stands, they are laying themselves open for false ideas to pour in. To the extent that the churches fail to provide proper educational opportunities and the membership fails to grasp every opportunity to learn, they are again aiding in the Communist attempt to capture the minds of men. The best antidote for Communism is the filling of our minds with positive truths.

THE DOING OF THESE POSITIVE things is the undoing of Communism. The building of a strong local church is one of the surest defenses against a totalitarian society. The spread of the Gospel of Jesus Christ is the dispersion of the "gospel" of Communism. The spread of freedom is the shrinkage of tyranny. The flow of love is the ebb of hate. The triumph of God is the defeat of evil.
