Pastor's Paragraphs

THE BIGGEST AND BEST

"There are white lies, black lies and statistics", according to one skeptical reader. The implication is, of course, that

figures do not lie. On the basis of statistics alone, we have just completed our finest Vacation Bible School. 502 of our young people were enrolled for Bible study this year. This is an all-time record.

I am not at all sure that this test of "bigness" is a fair evaluation. As Baptists we have a tendency to think that because a thing is big, it is automatically good. The bigger the church the better the church, etc. We assumed in 1954 that if we could enroll one million more people in our Sunday School the quality of our work would be automatically improved. There were more of us all right, but I am not sure about the quality of work. Vance Havner said, "If we get a million more like the million we have, we're sunk!" We are guilty of practicing JUMBOISM, the worship of the big thing.

Just because a thing is big, it is not necessarily good. Just because it is big, it is not necessarily evil. When a thing is big and good, we have just reason to rejoice.

Occasionally these two things come together — bigness and bestness (if you will allow me to coin a word). It doesn't happen often but in the case of our Bible School, it was certainly true.

This church is indebted to the many faithful workers who gave their time and talent to make our Bible School a success. Thank you, friends, for a job well done.

I'll be looking for you Sunday — 1200 strong — in the House of God. If you are His child and love Him, be here!

Faithfully your pastor,

James L. Pleitz

Those eligible to receive the award are First Class Scouts or Explorers with one year of required service. HOSPITAL SUNDAY SCHOOL CLASS

Mr. Theron Guthrie, our Sunday School Superintendent, has informed us that we are scheduled to begin a Sunday School class at the Baptist Hospital next Sunday. This class will be held at 10:00 a.m. immediately following the worship service held there in the chapel. Mr. Herbert L. Highsmith will serve as the teacher with Mr. L. P. McDowell as the associate teacher. It is our hope that this Bible-teaching ministry will be of spiritual help to employees, patients and visitors at the hospital.

CHRISTIAN SERVICE SURVEY

On next Sunday morning we are asking the Adult and Married Young People's Departments to give time in the opening assembly period for a Christian Service Survey. Our Nominating Committee has asked that this be done. They believe that this will help them in their present task of enlisting leadership for the new church year beginning in October and that it will provide information which they will use through the years. As you are called upon on next Sunday to take time to fill out this card, it is our hope that you will do it carefully and prayerfully.

"Who then is willing to consecrate his service this day unto the Lord?" (I Chronicles 29:5)

LIBRARY NOTES

The World's Fair Summer Reading Club came to a close last Friday. 36 Primaries and 35 Juniors participated — a total of 71. 16 earned certificates, having read 10 or more books and reported on them. These 71 read and reported on 518 books. Jim Drexler and David Russell are our champion readers among the Primaries; John Ladner and Elwin Garrett for the Juniors. These will have a book of their choice placed in their honor in the library. Congratulations to these and good wishes to all who took part. We invite you to continue reading more of our good library books.
