Pastor's Paragraphs

THANK YOU, CARDINAL CUSHING

In his Christmas sermon Cardinal Richard Cushing, Archbishop of Boston, urged Roman Catholics to read the Bible at least five minutes each day. He went on to say, "For some reason or another, Catholics are reluctant to read the Bible. Protestants not only read the book, but they study it. I met a woman who knows the Book of Psalms by heart, and to be honest with you I don't know one Psalm by heart."

Although Baptists are not in the strictest since Protestant, I imagine the Cardinal includes us in this rather flattering remark. "Protestants study the Bible", do we??

Each year we have a splendid opportunity to do just this — study the Bible. Our January Bible Study is scheduled to start this Sunday.

Through this years we have had some very fine Bible scholars to lead us in this special emphasis. Men like Dr. Clyde Francisco, Dr. Millard Berquist, Dr. Roland Leavell, and Dr. Bradley Jones have blessed our hearts.

This year we are privileged to have Dr. David Garland from Southwestern Seminary to lead in the study. Dr. Garland is uniquely qualified to lead us in the study of Deuteronomy. He makes the Old Testament live.

Make your plans to be in the Bible Study starting Sunday.

The good Lord willing, I'll see you on His Day in His House.

Faithfully your pastor,

James L. Pleitz

P.S. Due to the severe cold last Sunday, the robins left our area. Your presence this Lord's Day will certainly help to bring them back!

MEN'S BREAKFAST

In observance of Baptist Men's Day, our Brotherhood is sponsoring a Men's Breakfast Sunday Morning. The time is 7:45 a.m. The place is the Skillet Restaurant, 501 E. Cervantes Street. The speaker will be Dr. D. David Garland, our visiting teacher for January Bible Study Week. He will be bringing a special message to men at the breakfast.

If you have not already gotten your ticket, call the church office for a reservation.

GENIUS IN CHOIR ROBES

One cannot study to be a genius, we are told. The musical genius or child prodigy is born that way. Yet how interesting it is to note that many musical celebrities received their early training as choir boys. To name a few: Palestrina — Bach — Haydn — Purcell — Schubert — Tchaikovsky — Rossini — Gounod — Sullivan — Dvorak — Jean de Reszke — Caruso — Gigli.

DEUTERONOMY HAS BEEN CALLED

"Five-fifths of the Law"

"A homily on the Constitution"

"A Book of Reviews"

"The text of all prophecy, a manual of evangelical oratory"

"An exposition of the Commandment Jesus called Great"

"The Book from which Jesus drew the weapon that vanquished the tempter"

This is the book which Dr. Garland will lead us in studying.

A Lesson in Music Appreciation

A farmer who was a deacon in the church was summoned to serve on a federal grand jury in a city. He was gone two weeks. First thing when he got back home, his wife asked him if he had gone to church in the city. Of course. "Did you know any of the songs they sang?" she asked.

"No," he said. "They didn't sing songs. All they sung was anthems."

"Anthems! What on earth is anthems?"

"Well, it's like this," the deacon said.

"Now, if I was to say to you, 'Ma, the cows are in the corn,' that would not be any anthem."

"Of course not," Ma. said.

"Wait a minute. If I'd say in a long quavering-out, dying, up-and-down voice, 'Ma Ma, Ma, the cows—the cows—the Holstein cow, the muley cow, the Jersey cow, the old brindle cow, and ole Spec too—all them cows—the co o o w s—is in—is in—the cow—ows ows is in—is in—is in—the cow ow ows is in in the corn, the co oo rr n, ah men, men, men,' that would be an anthem."
