## Time For Service

We do not find time  
for God's service.

We must dedicate it.

# Pastor's Paragraphs

## YOUR HOME OF THE FUTURE

Many of you have seen it. I never have. One day I would like to.

Imagine, 15,000,000 visitors! That is a heap of folk to have traipsing through your home.

The Monsanto house at Disney land has withstood 15,000,000 visitors during the past seven years. This house is built almost entirely of plastic, either alone or along with traditional building materials. No wonder they call it "The House of the Future."

Most of us are so busy trying to build the home of the present that we have not given much thought to the house of the future. Actually, you can build a house out of any number of materials. They vary from logs to plastic. (Can you imagine any boy born in a plastic house becoming president of our nation?)

In building a home, it is different. Homes have been built out of the same materials since the beginning of time. Love and respect are still essential. You can build a house without them, but never a home.

The foundation of the home has always been and shall always be—doing the will of Almighty God. Jesus said, "Whosoever heareth these sayings of mine and doeth them, I will liken him unto a wise man who built his house upon a rock." (Matthew 7:27).

It is hard to do "these sayings of mine" until we know them. "These sayings" will be taught and preached Sunday. I plan to bring my family to God's House on God's Day—how about you? Many of us could turn our houses into homes if we would only faithfully worship God together.

Faithfully your pastor,

*James L. Pleitz*

## SUNDAY NIGHT FOR ADULTS

All of the Adults who have been in the Adult Seminar Groups are asked to assemble together next Sunday evening in the Dining Room. The program feature will be a new motion picture film entitled "Encounter With God". This film, a new Broadman release in color is on the theme of worship . . . and portrays a dedicated young college student's struggle to find God's will for his life. His grandfather, a retired minister, tells a story shown in flashback which involves the reaction of men trapped by a coal mine explosion. The grandfather shows that it is through daily communion with God that a person discovers God's will. In a spirit of worship the student turns to God for the ultimate answer to his problem.

We would urge all Adults of the church to be present at 6:00 p.m. Sunday evening to see this film. Also at this assembly of Adults the various Seminar Groups for the February-March period will be introduced.

## READ YOUR BIBLE DAILY

We would encourage our people to read the Bible daily. The plan reading as carried in the Training Union quarterlies and Open Windows is a helpful guide. Right now we are reading the Bible by books, with two months in each quarter spent in the Old Testament and one month in the New Testament. For those who do not have these quarterlies, we are listing here the reading for next week. By the way, if you would like to have a copy of Open Windows, you may secure it from the church office.

Reading for the week Jan. 31- Feb. 5  
Leviticus 6-26

## PROMISE YOURSELF

To be so strong that nothing can disturb your peace of mind.

To look on the sunny side of everything.

To wear a cheerful countenance and give a smile to everyone you meet.

To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

## THE GOLDEN RULE

"Therefore all things whatsoever ye would that men should do to you, do ye even so to them; for this is the law and the prophets." —(Matt. 7:12)

## T. V. SPECIAL

NBC-TV is carrying a special "Southern Baptist Hour" on Sunday, January 31. The title is "A Conversation With Dr. Porter Routh". The time is 12:30 p.m. on Channel 10.

We have heard and seen much of the Capitol, White House and President of the United States lately, but perhaps some of our Primaries and Juniors would like to read further on these subjects. We have the following books:

LET'S GO TO THE CAPITOL—Rosenfeld. This book has many illustrations and interesting explanations of various parts of the building.

LET'S GO TO THE WHITE HOUSE—Rosenfeld. You will find a diagram of the whole White House and you will feel like you have really been on a visit when you read this book.

THE FIRST BOOK OF THE PRESIDENTS—Coy. You will find information on how a president is elected; what is the president's big job; what are his extra jobs; who belongs to the president's cabinet; what is his social life. There is also short accounts of our presidents' lives. Also a "did you know" section. Did you know that Dolly Madison was the first hostess to serve ice cream in the White House?

You will learn much from these books.

I am sure some Intermediates would be interested in knowing about what sports our presidents enjoyed. In THE SPORTS OF OUR PRESIDENTS by Durant, you will find out which president was playing marbles when he was informed that he was president—and many other interesting facts.

L. T. S.
