## MEMORIAL DAY

Is it enough to think to-day  
Of all our brave, then put away  
The thought until a year has sped?  
Is this full honor for our dead?

Is it enough to sing a song  
And deck a grave; and all year long  
Forget the brave who died that we  
Might keep our great land proud and free?

Full service needs a greater toll—  
That we who live give heart and soul  
To keep the land they died to save,  
And be ourselves, in turn, the brave!

—Annette Wynn, Contemporary American

# Pastor's Paragraphs

## AN OPEN LETTER FROM THE PASTOR

Dear Christian Friends:

In just a few brief days, the month of June will arrive. Of all the months of the

year, June is one of the best loved. It is the traditional month for weddings. It is the time our schools are dismissed for the long summer holiday (little do the children realize what a welcomed time this is for the teachers!).

There are, however, those who are not so enthused about the arrival of June. In this group are many ministers. Some churches all but go out of business with the arrival of this month. A Philadelphia church has a marble plaque over the entrance, bearing the words: "Gate of Heaven." Beneath this was the legend on the church signboard: "Closed during June, July and August."

The First Baptist Church is indeed for many the very gate of heaven. Your church is counting on your ALL-OUT support during the summer months. Please be faithful in both your attendance and the giving of your tithes and offerings to support His causes around the world. Your co-operation will make this summer the best one in the history of our church for our precious Savior.

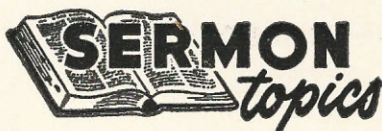

Faithfully yours,

*James L. Pleitz*

## THANK YOU

I have been trying for a week to write some sort of "Thank You" note to the church and have found it difficult to find the right words. So many of you have asked about the trip. I shall try to bring you a general report under the title "The Wanderings of a Wanderer" at the Training Union Hour Sunday.

I shall ever be grateful for the opportunity of making this trip. I shall never read the Bible or the newspaper with the same eyes again. The opportunity of seeing the Bible lands was an experience that I shall never forget. And the opportunity to be in the lands of Jordan and Israel focused my attention upon the current problems in these lands. I shall try hard not to bore you about "my trip" but I shall try to be a good steward of the things I saw and felt.

In the book "The Animal World of Albert Schweitzer" is this interesting account: "A white acquaintance who, with a caravan of bearers was transporting rice, tobacco and salt, got tired of waiting and went ahead on the forest path he knew so well. Suddenly at a bend in the trail he came upon a pair of gorillas holding a young one by the hand. There was no time to snatch his gun from his shoulder. There was nothing to do but stand at attention, as far as his trembling limbs would permit. Father, mother and child stared at him steadily. After their first curiosity was satisfied, the young gorilla let go of its mother's hand to reach for the buttons on the white man's coat. While it played with them the white man smiled broadly. Had he made a movement of fear the old gorilla would have immediately torn him to shreds. After this play had lasted for a little time the gorilla mother took the child again by the hand and drew it away as if to say: "now you have looked long enough at this freak". And father, mother and child went on their way. The white man, however, collapsed. Since that time he never wandered ahead of his caravan in the early morning."
