FOLKS NEED A LOT OF LOVING

Folks need a lot of loving in the morning;
The day is all ahead, with cares beset—
The cares we know, and those that give no warning;
For love is God's own antidote for fret.

Folks need a heap of loving at the noontime—
The battle lull, the moment snatched from strife—
Halfway between the waking and the croontime,
When bickering and worriment are rife.

Folks hunger so for loving at the nighttime,
When wearily they take them home to rest—
At slumber song and turning-out-the-light time.
Of all the times for loving, that's the best.

Folke want a lot of loving every minute—
The sympathy of others and their smile!
Till life's end, from the moment they begin it,
Folks need a lot of loving all the while.

—Strickland Gillilan, 1869

Youth Week in Retrospect

Our Youth Week Officers, all of them, did an excellent job last week. The Youth Week Officers had done an excellent job of enlisting people to work and the response was excellent in every way. Miss Helen May and our youth deserve a word of commendation for a job well done.

Dr. Russell Dilday did a superb job in the messages which he brought during the weekend.

Is There Someone You Should Call?

Is there some member of your class or some prospect that you have visited that ought to unite with our church Sunday? Perhaps just a word of encouragement from you is all that would be necessary. Why don't you do it now?

A Word From The Pastor

We have received a card from the pastor postmarked "London". After an overnight delay in New York, they arrived in London. This weekend they will be in the Holy Land. Remember his word "if you are in the city of Pensacola . . . be in our beloved church."

Sunday Evenings

None of us are happy about our Training Union attendance. We have made an honest

LIFE AND WORK CURRICULUM

On next Wednesday night at the Prayer Service Hour the church will receive a recommendation "that the church adopt the Life and Work Curriculum for all Young People's and Adult Departments for the church year beginning with the October, 1966 quarter".

Any worker in these departments who has not been able to be in the meetings may secure additional information from Mr. Bizzell, from any of the Sunday School Department Superintendents, or from the organizational heads.

effort to offer something worthwhile for Adults and all age groups on Sunday evenings. As we plan now for the months of August and September and as we anticipate fall we would like to have your suggestions.

Are You Interested?

If you are interested or could be talked into an interest in attending the Sunday School Leadership Assembly, August 15-19, let me hear from you.

If you are prevented from attending the Worship Service on Sunday, listen to the broadcast of the Morning Worship Service on Station WCOA, between 1300-1400 on your dial, 11:00 a.m. to 12:00 noon.

As many as are led by the Spirit of God, they are the sons of God.

Let's Go to Church on Sunday Nights

LET'S GO TO CHURCH SUNDAY NIGHTS: You used to, before TV. Are you willing to cancel out the values of the Sunday evening church activities and the value of your own influence on others because of a TV program or two? If so, Christianity has lost something.

LET'S GO TO CHURCH ON SUNDAY NIGHTS: You used to, before you acquired that circle of unchurched friends who have had more influence over you than you have over them. Surely you aren't willing to cancel the influence of Sunday night church services in favor of a little social circle that is unwilling to use six other nights for its secular fellowship.

LET'S GO TO CHURCH ON SUNDAY NIGHTS: You used to, when friendships made on the basis of common Lordship of Christ were the friendships dearest to you. Do you think it would be well if we turned out the lights and joined the host of churches that have found it necessary to cut the Lord's Day in half?

LET'S GO TO CHURCH ON SUNDAY NIGHTS: Jesus did. It was in the Upper Room at eventide, on the first day of the week, that our Lord appeared after the Emmaus travelers reported His being "made known to them in the breaking of bread." In fact our custom of first day of the week (Lord's Day) worship began with Sunday night services during Jesus' post-resurrection appearances. —Selected.
