## WHAT GOD HATH PROMISED

God hath not promised  
Skies always blue,  
Flower-strewn pathways  
All our lives through;  
God hath not promised  
Sun without rain,  
Joy without sorrow,  
Peace without pain.

But God hath promised  
Strength for the day,  
Rest for the labor,  
Light for the way,  
Grace for the trials,  
Help from above,  
Unfailing sympathy,  
Undying love.

Annie Johnson Flint, 1862-1932

## WANTED — A TAPE FOR TORN HEARTS

Thank your lucky stars that you are not in the tape making business. (Not the kind you record on, or measure with, but the patchin' kind.)

Just suppose you were in this business, how in the world would you compete with the manufacturers of Scotch Brand tapes? Would you believe that they manufacture 612 different kinds of tapes? Think of it — 612 (spelled six hundred and twelve) different kinds of tapes. Fantastic.

Now with 612 kinds to choose from, you can repair most any thing from books to beach balls. The list is endless. Anything that can be torn, Scotch Brand can repair — well ALMOST anything. There is at least one exception. HEARTS. Not one of these tapes can repair a torn heart.

There is a real need for a tape for torn hearts. More hearts are torn and in need of repair than anything I know of including books and beach balls.

Thank God such a "tape" already exists. The tape for torn hearts is God's grace. His unmerited love can work wonders.

Paul found that God's grace was sufficient to mend his torn heart. Since that time a whole host of folk have made the same blessed discovery. It's wonderful — simply wonderful — what God can do with a torn heart if we are willing to give Him all the pieces.

I'll look forward to seeing you Sunday down at the Meeting House.

Faithfully your pastor,

*James L. Pleitz*

## BAPTIST MEN'S DAY SUNDAY, JANUARY 28

Our observance of Baptist Men's Day will include a breakfast scheduled at 8:00 a.m. at Dewberry's Restaurant. The speaker is to be Dr. J. Paul O'Neal of Florala, Alabama. Dr. O'Neal is a native Alabamian, a graduate of Howard College (now Samford University). He received his medical training at Baylor University in Dallas. Dr. O'Neal served for a brief time under our Foreign Mission Board. He was aboard the ship Zam Zam on his way to Nigeria in 1941 when the ship was sunk by the Germans. He spent several months as a prisoner. For the past 19 years he has practiced in Florala, Alabama where he has a very fine Medical Clinic. He is a very active member of the First Baptist Church there.

Our men will be in charge of the evening service. Charles Griffin, Charles Cummings, and Dr. Charles Clevenger will speak. Other men will have a part in the service.

### BIBLE CONFERENCE

Our Bible Conference with Dr. Hobbs begins Monday, February 5. Copies of the book "Studies in Luke's Gospel" are now available. Next Sunday, January 28 we are asking family groups to pre-register in order that we may be sure of adequate provisions and enough text books, etc. It would also help us if you would get your book ahead of time and that would also help you to have time to read it ahead of time.

### LIBRARY NOTES

**"When others fail him,  
The wise man looks  
To the sure companion-  
ship of books."**

The whole secret of happy retirement is planning, and here is the famous book that has shown thousands how to plan successfully. "THE RETIREMENT BOOK — a complete planning guide to your future" by Joseph C. Buckley.

Dr. Walter C. Alvarez, Emeritus Consultant in Medicine, Mayo Clinic, in his syndicated newspaper column, said: "I get so many hard-to-answer letters from people saying 'I have sinusitis and would like to know just where I should go . . . Should it be Florida or Arizona? etc.' I am happy to see that there is now a book which answers many of these questions and answers them very well . . . "THE RETIREMENT HANDBOOK."

For easy reference this book has a complete, handy index, a valuable climatic chart, a chart showing the cost of living in selected communities, a life expectancy table and much additional easy-to-find material.

# THE LISTENING POST

"If I am not big enough to live one day at a time, Lord, help me to live by the hour." What a comforting quote in these busy, busy days and rather hectic hours in which we find ourselves.

A belated congratulations to Lynn Vickery on her selection as student of the day on WCOA — a well deserved recognition!

## ALL JUNIORS AND YOUNG PEOPLE PLEASE NOTE!

"The Cellar" is **not** open to you between Sunday School and the morning worship. There are adult classes meeting in that area, and we have been greatly disturbing the most important part of their lesson period — the climax. Please refrain from even going down in that direction. If you are to meet parents make plans to meet them on the upper level between the buildings.
