## BURDENS INTO BRIDGES

In seeking to minister to your needs, I am made mindful of the fact that all of us have problems. Recently I ran across this little article that I would

like to share with you. My prayer is that all of us will make the wonderful discovery of how life's burdens can be turned into bridges.

A biologist tells how he watched an ant carrying a piece of straw which seemed almost too heavy for it to drag. The ant came to a

crack in the ground which was too big for it to cross. It stood still for a time, as though perplexed by the situation, then put the straw across the crack and walked over on the straw.

If only we were as wise as that ant! We speak much about the burdens we must bear. But have we ever thought of converting our burdens into bridges, of having our burdens bear US up instead of us bearing THEM up?

The Apostle Paul had learned the secret of being borne UP by his burden, instead of being borne DOWN by it. Throughout his life he had been afflicted with a physical deformity or handicap. But when he had once recognized his affliction as a part of God's will for him, he exclaimed, "Most gladly therefore will I rather glory in my infirmities that the power of Christ may rest upon me." 2 Corinthians 12:9

Every man who has found eternal life in the death of Jesus Christ can convert his burdens into bridges—bridges that lead him from the darkness of dispair into the brightness of assurance. To know Christ is to know the love of God, and to know God's love is to be assured of eternal fellowship with Him.

Do you have what it takes to turn your burdens into bridges? Do you know the power of the love of God in Christ? That power is available to you through faith in the Christian Gospel.

Make a special effort to be in God's House Sunday.

Faithfully your pastor,

*James L. Pleitz*
