JAMES L. PLEITZ, D.D.
PASTOR

MY IDEAL DEACON

My ideal deacon would be in regular attendance at all services of the church, morning and evening worship, Sunday School, Training Union, and Prayer Service. By his presence at each of these services, he adds much; by his absence he may not oppose the particular service, he causes much harm.

My ideal deacon would be a tither. The ideal deacon sets the pattern for his brethren in faithful stewardship of his possessions through the proper use of his portion and the giving to God of His share.

My ideal deacon would not be nearsighted. He would see beyond the needs and wants of his congregation, out to the last person on this earth without Christ.

My ideal deacon would be a soulwinner. His heart would beat with a passion to see men saved. He would follow the footsteps of Phillip in presenting the claims of Christ to whomsoever God might bring across his pathway.

My ideal deacon would be a personal friend. He would be the one to whom I could go and talk things over. He would be a counsellor, a confidant, a comforter, a companion, a friend. There are not many ideal deacons as there are not many ideal pastors, but, bless their hearts; there are many who are doing their best "to use the office of deacon well" and are "purchasing to themselves a good degree, and great boldness in the faith which is in Christ Jesus."

CAMILLE

The devastation of Hurricane Camille staggers the imagination. Almost hourly the death toll continues to rise. Over 200,000 are homeless.

You have heard the call for clothing, money, and food. I hope that each one of us will do what we can to help our neighbors in Mississippi and Louisiana. Clothing and food should be taken to the Salvation Army on the corner of Government and Reus Streets. Our

Benevolence Committee has sent 100 cases of milk and some baby food in the name of First Baptist Church. If you would like to have a part in this, you simply mark your gift for "Hurricane Camille Fund" and turn it in through the church. This distribution is being handled by the Salvation Army in Gulfport.

Over and over again we are reminded of the uncertainty of life. Jesus said: "What shall it profit a man if he gains the whole world and loses his own soul?" I ask you friend, if Pensacola had been hit by Camille and you had lost everything materially, what would you have left? The person who has ONLY the material, didn't have much to begin with. So many of us make the sad mistake of thinking that life can be judged in terms of dollars and cents.

The good Lord willing I'll look forward to seeing you Sunday.

Faithfully your pastor,

James L. Pleitz

A THOUGHT:

Could I climb to the highest place in Athens, I would lift up my voice and shout: "Fellow citizens, why do you turn and scrape every stone to gather wealth and TAKE SO LITTLE CARE OF YOUR CHILDREN to whom one day you must relinquish all?"
