## FROM NEAR AND FAR THEY CAME

Last Sunday a host of people came to the First Baptist Church. The group coming the greatest distance is shown above. This group of Seamen from Peru were in our evening service. Shown with them is Bill Williams who visits on board the ships that come into the port of Pensacola.

## FORDS SELLS CHEVROLETS!

What a day! We will remember September 7, 1969 for a long time. It was good to see so many of our folk back in church, and we had visitors from all over the world — LITERALLY. (The picture on the front page of the Builder is proof positive of this fact. Bill Williams is our foreign missionary stationed at home. When there is a ship in the harbor, Brother Bill will make it a point to talk to the crew about Jesus)

I met one fine couple by the name of Ford. There is nothing unusual about the name Ford, but when the Fords sell Chevrolets—THAT IS UNUSUAL. There is nothing hypocritical about a Ford selling Chevrolets. Mr. Ford is a Chevrolet dealer in Avon Park, Florida. He believes in his product and he sells lots of cars. (If you hear of a Mr. Chevrolet who sells Fords, give me a call.)

Most of us bear the name Christian. The name was first given to the disciples of Jesus in Antioch (Acts 11:26). The name did not come as a result of a contest held by the believers in that city as they searched for a name. It was given to them rather by the unbelievers in Antioch—in derision. If you are going to pronounce the name "Christian" as they did, you will have to snarl as you say it.

For me to be called a Christian and not to live a Christian life is HYPOCRITICAL. The world has every right to see Jesus Christ in your life and mine, my friend. Our job is to stay active doing what Jesus would do if He were here. This I know, if Jesus were here He would be very busy helping others. He would share with them the good news of the gospel. This, too, I know, on Sunday He would be in God's House to worship the Living Lord.

I'LL BE LOOKING FORWARD TO SEEING YOU THERE! THEN!

Faithfully your pastor,

*James L. Pleitz*

## LIBRARY NOTES

Do you ever wonder what it would be like to live in the White House - to be constantly in the public eye - to attend lavish state parties - to meet important and famous people?

Lillian Rogers Parks tells it like it is. She was a maid and seamstress at the Executive Mansion, and writes about intimate glimpses of the presidential families from Taft to Eisenhower in the book, "My 30 Years Backstairs At The White House."

We think you'd enjoy this one.
