## TAKE A FRESH SPIRITUAL START NEXT SUNDAY, OCTOBER 5

- NEW TEACHERS!
- NEW CLASSES!
- NEW CHRISTIAN FRIENDS

Sunday every person will go directly to their new departments for opening assembly and records.

In new classes, we will be in touch with people whom we have never known well before. Look around. Lasting friendships can be made.

As we encounter different people, we will have new opportunities to mean something to them, comforting the sorrowing, bringing joy to the lonely, and encouraging others.

We can have a fresh start spiritually, as we dedicate ourselves anew to the great cause of Christ. We are privileged to be members of one of the greatest churches anywhere. Pray that this will be our greatest year as a church — and your greatest year in Christian growth!

As this new church year begins, let us all resolve not to miss a single Sunday. Now is the time to begin!

## On Turning a Church Into a Submarine

The good Lord never intended for any church to be turned into a submarine — but it can happen.

"Once upon a time in the twentieth century there was a church that became a submarine. It wasn't as difficult as it might seem. One day it just clang shut the hatch on the outside world and submerged into its own sea. Occasionally it ran up the periscope to see where it was going.

"Once the captain got a real vision through his periscope and when he demanded that they get back to the surface and fast, the crew quickly developed the bends and the sub stayed down.

"While submerged there was a lot for the crew to do. In fact they were kept on alert and asked to make maximum efforts. They tinkered with the machinery constantly. They overhauled their kitchen. They inventoried their ammunition at least once a week but they never used it. They paid salaries to the officers and went through endless drills occasionally interrupted by prayers that no depth charge would disturb their isolation.

"The air got stale too, so did the routine, but they put up with it because the alternatives were too demanding. Several committees even decided the stale air was good for them.

"One of the members who had sneaked a look through the periscope suggested a change in course and the giving away of their surplus supplies. He was immediately eliminated for mutiny.

"The last entry in the captain's log book read 'Have probably set a new record for being submerged and maintaining predetermined course. See no reason why we should change directions. Crew continues to give maximum effort. We did sight an enemy, appointed three committee members to study the situation.'

The First Baptist Church of Pensacola is not a submarine. We are making an honest effort to do what Jesus would do if He were here. How about joining us in this quest, friend? Our CAPTAIN has a word for us Sunday. I hope you'll join us in His House.

Faithfully your pastor,  
JAMES L. PLEITZ

## ADULTS STUDY DOCTRINE

Beginning next Sunday Adults and Young People in our Sunday School begin a six month study entitled "Great Truths From The Bible".

During October through December the lessons will be on "Great Truths From the Old Testament" and from January through March 1970 the theme will be "Great Truths from Romans". The six month study will present the important doctrines of our faith such as the Revelation concerning God, concerning man, holiness, God's Laws, forgiveness, sin, salvation and other beliefs of the Christian life.

In this day of confusion and change a study of the doctrines of our faith is timely. Our Christian life needs the strength from such a study. Are you an average Christian who is content with the assurance that God created man and willing to leave it there, or would you prefer to know more about what kind of being God is and the nature of man whom God created in His own image. This unit of study leads one to realize that God, the creator, is still at work in our world today. In Romans 3:23 we read "For all have sinned and come short of the glory of God." The beginning of sin is found in the third chapter of Genesis. It was disobedience on a voluntary basis. Salvation comes by the grace of God. It is free to all who accept it. The study of "Great Truths from the Old Testament" is designed for depth study that will strengthen our Christian faith to better combat the problems we are faced with in this twentieth century. The first president of our country said, "It is impossible to rightly govern the world without God and the Bible." The Bible is the Christian's weapon of offense. Make it your constant guide through diligent study. If you have not yet gotten your quarterly here are the Scripture passages for next Sunday:

Genesis 1:1-5, 31; 2:1-3;

Isaiah 40:21-28

Study these passages and be present Sunday. Don't miss a single Sunday of this vital study.
