Pastor's paragraphs

THE POWER OF POSITIVE LIVING

They need not have died. A few days ago dozens of beautiful pilot whales swam ashore near Fort Pierce in what conservationists say may have been a

follow - the - leader movement.

A gallant effort was made to save the whales. A number of them were towed back out to sea—but to the amazement of those trying to save them, the whales promptly swam back to the beach — and death.

I haven't been able to get this out of my mind. The power of influence is a frightening thing, whether you are talking about fish or folks.

Many a life has been crippled or destroyed because of bad influence. The sad truth is that some parents have brought about the ultimate destruction of their own children. Our children are, by and large, what we make them.

But, thank God, the reverse is true. It would be hard to overestimate the power of one life lived for God. Such a life touches a multitude for good. The power of positive living is one of the greatest powers on the face of God's earth.

Next month we will celebrate the birthday of a great American. Abraham Lincoln once said, "All that I am or ever hope to be I owe to my angel mother." The power of a mother's influence made Lincoln.

I'll see you Sunday, God willing. I want my life to count in a positive fashion, don't you?

Faithfully your pastor,

James L. Pleitz
