FIRST BAPTIST CHURCH  
PALAFOX and LaRUA STS.  
PENSACOLA, FLORIDA

JAMES L. PLEITZ, D.D.  
PASTOR

VOL. XXII

FEBRUARY 4, 1971

NO. 5

I love Thy church, O God!  
Her walls before Thee stand,  
Dear as the apple of Thine eye,  
And graven on Thy hand.

# Pastor's Paragraphs

## PROOF POSITIVE

Not all stampedes occur in western movies. In most Baptist churches one occurs immediately after the morning service. It is hazardous to stand at the

door. There is a mad rush to get out. (I have a friend who seems to think this phenomenon occurs because you want to be first in line at the cafeteria, but my theory is that you are anxious to put into practice the things you have heard preached!)

... Now imagine my surprise when this whole process was reversed. Immediately after the service a young couple rushed not to get out—but in.

... The young lady immediately started frantically searching the church. I assumed that she had lost something of considerable value and offered my assistance. Much to my surprise, her search ended when she found a copy of our Order of Service. With a smile of relief, she accepted the outstretched hand of her boyfriend and they left.

... Now I am not a detective or the son of a detective, but it is not really necessary to be a private eye to solve this mystery. When the young lady left home that morning she told her folks she was going to church. She never made it, but her parents would never be the wiser. The Order of Service in her hand would help cover her deception.

... Now I have thought about this incident several times recently. What proof do we have that we have been to church? Is a piece of paper the best we can do? It may be an Order of Service, or Certificate of Church Membership, or a Baptismal Certificate — so what? **THESE THINGS MAY SERVE AS POSITIVE PROOF FOR SOME BUT IN THE EYES OF OUR LORD, THEY PROVE LITTLE OR NOTHING.** Our Lord is not concerned about an Order of Service, but **THE ORDER OF OUR LIVES.** No one had to ask Peter and John if they had been to church. Their Godly lives served as proof positive. (Acts 4:13).

... I'll look forward to seeing you Sunday before — during — and after the service.

Faithfully your pastor,

*James L. Plitz*

### THINK OF THIS!

Your library has a loan period for books of two weeks. There are 52 weeks in a year, so if a book is popular, and many of them are, it can be circulated at least 26 times each year if each borrower follows the rules. That number of times for a book to be read makes the price of it worth more than the dollars and cents paid for it.

But do you know more often than you realize because of forgetfulness, selfishness, or maybe just plain indifference, some borrowers keep a book so long that its usefulness is reduced from 26 times to a very small number of circulation opportunities.

For example, **THE CROSS AND THE SWITCHBLADE**, by David Wilkerson, has circulated sixteen times since February, 1965. It has been OUT most of that time but renewals, overdue notices, telephone calls reminding the borrower that the book is due have been necessary to allow sixteen people the privilege of reading it. There are still names on the reserve list for this book also. Think of this!

We want to serve the entire membership — won't you help the library staff serve all the people better by being thoughtful of your responsibility?

### ASSOCIATIONAL ACTEENS RALLY

#### ATTENTION ALL GIRLS 11-17
