**PASTOR'S STAY-FOR-CHURCH CLUB**

One hundred eighty children from the first through the fifth grade departments of our Sunday School enrolled in the Pastor's Stay-For-Church Club for the 5 Sundays in May.

The program, according to Dale Mooneyham, Director of Children's Work, emphasized the place of worship in religious education. Through a specially prepared workbook, the children were taught the order of service, the significance of each part of the worship service, and the need for regular worship.

After the five week period, the workbooks were graded on the basis of accuracy, neatness, and creativity. Two "winners" were declared from each grade level and presented a trophy.

They are, pictured from left to right: Donna Minton, Betsy Tidwell, Wendy Tidwell, Dick Bell, Keith Owens, Mary Royals, Sara Dukes, Art Gray, Valerie Riggs and Jerry Owens.

Plans are in the making now for our first and second graders to do some day camping this summer. The Day Camp will be held at the old Gull Point School property on Creighton Road going towards Scenic Highway. There will be planned and supervised activities from 9:00 A.M. to 4:00 P.M.

The dates of the camp are July 12-16 and July 19-23. Children may choose to come one of these weeks or both of them. The cost will be \$8.00 a week. We are asking that a \$2.00 registration fee be turned in with the application. We are really going to have some good times together, and we hope that many 1st and 2nd graders will join us.

### LIBRARY NOTES

"THE GOLDEN COAST" by Harnett T. Kane tells of the Gulf Coast area from Key West, Florida to Brownsville, Texas. Here is the America first discovered by Europeans a hundred years before the Pilgrims went to Massachusetts.

Mr. Kane begins his book by telling of the oldest Gulf settlement, our own Pensacola! He takes the reader to Tampa where Henry Plant used Moorish architecture in its early days. It seems Mr. Plant raced to develop the West Coast of Florida as Henry Flagler competed to develop the East Coast.

It is interesting to read about the largest settlement of Greeks in the United States at Tarpon Springs. The reader travels on down the coast meeting John Ringling North as he helped develop Sarasota and on through the Everglades, etc.

The journey around the western part of the Gulf takes up in Mobile, going back to the days of the French.

There are visits in Biloxi, Mississippi, and visits to "Beauvoir," the home of Jefferson Davis. Then it is on to New Orleans with its French influence and on to the rich oil ground of Port Arthur and Beaumont, Texas.

You are part of the "Golden Coast" and you will enjoy what Mr. Kane has to say about "our" part of the country!

### ATTIC SALE HUGE SUCCESS

The OPERATION: GOOD SAMARITAN-SOUTH Attic Sale held last Saturday was a great success and it looks as though it will bring in about \$4,000. This money will be used for our mission project in the Dominican Republic. We are certainly grateful to all those who worked so hard on the sale, those who gave items to be sold and those who came and made purchases. Mrs. Rita Dukes, General Chairman, did a great job and we are certainly thankful for her. Miss Debbie Carter served as Youth Chairman and was a big help in enlisting all the young people to serve in various capacities all the way from setting up the display areas to cleaning up the building after the sale. Again thanks to Mrs. Dukes, Debbie, and all who made the Attic Sale the big success that it was.
