"The truth shall  
make you free"

John 8:32

### "I AM WORRIED ABOUT COMMUNISM"

"Hello, there, my friend. Glad to see you on this bright Monday morning. What's on your mind? You look a bit worried."

"Well, who wouldn't be worried, with the papers full of the way Communism is spreading? I tell you, if we don't wake up and do something it is going to take the world. There is no doubt about it, they want to destroy the Bible."

"By the way, we missed you in Sunday School yesterday. In fact I don't believe you have been with us for several Sundays."

"No, I'll tell you. I enjoy Sunday school, and I sure believe we need to study the Bible, but Sunday is the only day I have, and you know a fellow has to have some time off. I just took it easy yesterday morning and after dinner we rode down to the beach. Took the whole family. I believe the kids need Sunday school and Church, but it doesn't do any good to make them go. But about this Communism, it really scares me. Why, in some countries they have closed up the churches . . . won't let the people worship."

"Speaking of church attendance, we had an unusually small crowd last night. There is some talk about us joining most of the churches, and not trying to have Sunday night services during the summer."

"But, I hope the preacher never agrees to that, what with all this threat of Communism. If there ever was a time when we need the church and Christianity, it is now. Of course, I don't go to church on Sunday night myself. You take last night. We were back in time all right, but everybody was tired, and we all stayed home and watched Ed Sullivan."

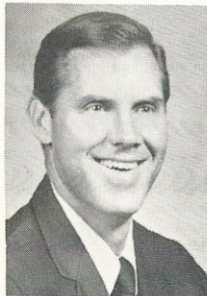

"Well, I'll see you at Prayer Meeting Wednesday. Our crowd is small, these days."

"No, I have something to do every night. But I'll tell you, we had better do something about this Communism. You know, they don't believe in prayer. Well, so long."

# Pastor's Paragraphs

## "KEEPERS OF A HERITAGE"

THANKS TO YOUR FAITHFULNESS, THE MONTH OF JUNE WAS A GREAT ONE FOR THE LIFE OF OUR CHURCH. OUR ATTENDANCE WAS UP. At the beginning of the summer, our workers set a goal for an

average attendance of 1100 per Sunday during the summer months. I believe we will EXCEED the goal!

God surely was good to us last Lord's Day. Didn't you heart thrill to see 5 people coming to accept Jesus Christ as their Lord and Saviour?

When we share our faith, people are saved. It's that simple.

Next Sunday our nation will celebrate its 195th birthday. As nations go, America is still young. And yet, as we look about us there are signs that our beloved land is growing old before its time.

When asked how long the American Republic would endure, James Russell Lowell replied, "As long as the convictions of the founding fathers are dominant." Lowell is usually thought of as a literary figure, but in this case he spoke as a prophet. Nations, like individuals, have forfeited their heritage through adherence to alien voices. American indifference to character building principles of the past will only contribute to individual and national degeneracy. Only when society becomes apathetic, can we be lured astray by radical minds.

In all its grandeur, freedom alone cannot sustain us. As George W. Tripp so convincingly reasoned, "All the mechanical knowledge of the Egyptians could not save their civilization, all the culture of Greece could not save their civilization, all the statesmanship and philosophy and mighty legal system of Rome could not save their proudly boasted civilization." We shall fare no better than they if we focus faith on human achievements. It is both possible and proper to believe in our freedom and trust in the Lord.

I'll look forward to seeing you in church on Sunday.

Faithfully your pastor,

*James L. Plaitz*

### PARENTS:

#### PLEASE DON'T READ

**YOU CAN BE HUNGRY IN OTHER WAYS!** The pictures that we have seen recently on our television sets relating to the physically hungry multitudes of refugees in India really disturb us. We hate to think of anyone not getting the nourishment they need for their bodies. Our heart strings are especially pulled when those starving are boys and girls. You have probably never seen a starved youngster around Pensacola, especially in recent years. Most of them, including we adults, are overweight. There are boys and girls starving spiritually, however. Some are getting no spiritual nourishment, and some are getting just a little bit, depending upon the whims of their parents who very readily nowadays take off to the lake or to another short vacation elsewhere. Let the adults related to our church determine that the children God has let us have will not be under-nourished spiritually at home or church.

## ADULT CHRISTIAN

### TRAINING HOUR

In 1970 Madalyn Murray O'Hair, the professional atheist who has long urged that churches be taxed, organized her own church of atheists with the avowed purpose of using all tax exemptions given to churches to fight the tax exempt status of the churches.

If you were called on to present a defense against her attack on tax exemptions for churches, could you work out a case based on religious liberty, equality, and fairness?

Don't miss the Adult Church Training Program Sunday evening at 6 o'clock When Brother Nixon Daniel presents the church - state views on taxation.
