"THE BOWLING BOOSTER"

Pastor's Paragraphs

"ON LEARNING TO SING"

Sometime ago I ran into a little fellow down at the church. He was crying his eyes out. The Children's Choirs were meeting

but he stood outside the choir room weeping. I took him aside and said, "Now look, little friend, it can't be this bad. What's your problem? Maybe I can help you." The tears continued to course down his cheeks and he said, "I just can't sing. I tried last week, but it sounded just awful. I'll never go back to choir again"

"Now wait a minute, Son. It's not that bad. This is the reason we have choirs, to teach people to sing. If you already knew how, there wouldn't be any point in coming in the first place. Now go on in there and I have a feeling that you're going to learn how to sing."

By this time he had stopped crying and would you believe he went back to choir and now he can sing just as well as anyone else in his age group.

I'm afraid some of us turn our backs on Christ and the church for the same reason. We're keenly aware of our sins and the temptation is just to quit trying — but this is exactly why Christ came, to help us. The people in the church are not perfect. We're in the church because we're aware of our imperfections, but we're still trying mighty hard to learn how to sing.

Sunday will be Brother Ebersold's last Sunday with us. We thank the good Lord for the ministry of this dedicated man of God. He has made a real impact on our congregation in the brief year he's been on our church staff.

You'll have an opportunity to hear Brother Bob preach in the services Sunday. There will be a reception in honor of the Ebersold family Sunday night and I know that you'll want to be in attendance.

Faithfully your pastor,

James L. Pleitz

ANNIE ARMSTRONG OFFERING

The offering for home missions is named for the first executive secretary of Woman's Missionary Union. Miss Annie Armstrong led in forming Woman's Missionary Union, in getting mission information to people so they would pray, participate, and financially support missions. Your gifts to the Annie Armstrong Easter Offering provides almost half of Southern Baptist support for home missions. Our goal this year is \$4,200.

THE BOWLING BOOSTER

Several weeks ago a request came for a member of First Baptist Young People to assist the C.P. Clinic with their Saturday Bowling League. The youth responded by aligning the ramp, placing the ball on the ramp and cheering for their partner, a C.P. Friend.

At the first session it was apparent that the ramp used was very inadequate but was the best available and additional ramps were needed.

The problem was presented to Russell Bechtel, one of our newer members. He designed a mold, enlisted the cooperation of Mr. Earl Cox, a local boat manufacturer, and the result is a beautifully efficient, all fibre glass, bowling booster.

Three of the boosters are being presented to the C.P. Center as a ministry of First Baptist Church. A letter will go to every C.P. Center in the United States describing the booster and making it available at the cost of materials.

"THANK YOU"

I would like to take these few lines to express my deep appreciation for the opportunity of serving on the staff of this great church. This past year has been a real blessing to all my family. It has been a time of enrichment and a wonderful learning experience for me personally.

The people who have given so much time and effort to the bus ministry are to be commended. Without these faithful workers my work would have been impossible.

Words cannot express my feelings about the staff of this church. The highlight of my ministry, if not my life, has been the opportunity of working with James Pleit.

There are many things I would like to say but I will sum it up with a big "Thank You".

Peace and love till He comes,
Bro. Bob
