"DON'T WHISPER IT – SHOUT IT"

Roger Vinson, an attorney, and Charles Overman, an engineer, are 2 laymen who believe that the word ought to be shouted. (See the Pastor's Paragraphs, page 2.)

Bring your friends to the special service Sunday night!

Pastor's Paragraphs

"THE WHISPERED WORD"

If the word is spoken at all in church, it's spoken in a whisper. The word is POLITICS. Sunday night in our church,

the word will not only be whispered, it will be shouted. In the evening worship service, I plan to preach on the Christian's involvement in the life of the community. Of course, politics is a very important part of community life. The Bible teaches that the Christian should be very much involved. When Jesus said, "You are the

salt of the earth and the light of the world," He was talking about getting all mixed up in the problems facing the community. Many of the problems facing our society today might never have arisen if more of us had been involved in all phases of community life. When we fail to exercise our rights as citizens to that extent we sacrifice our rights to be critical when things go wrong.

Over 50 candidates for office will be our special guests in the evening service. It should be one of the most meaningful services ever held in our church.

Following the worship service, you'll have an opportunity to meet the candidates in an informal reception in the dining hall. They are not going to make any speeches. They're not going to hand out any cards, but you will have an opportunity to talk to them if you so desire at the reception.

Please pray with me that God will be honored in this service. I certainly hope that you will be here and bring your friends.

Faithfully your pastor,

James L. Pleitz
