# Pastor's Paragraphs

## JUST WHO IS NUMBER 1?

The outcome of the bowl games has simply fanned the flames of controversy. Whether you are a football fan or not, you MUST HAVE heard about the controversy that has rocked the college football world.

When the regular season closed, both wire services listed the three top teams in this order: Notre Dame - Michigan State - Alabama. Of the Big Three, only Alabama won all its games. Notre Dame and Michigan State played to a tie when they faced each other on the gridiron. Many ardent football fans felt that Alabama deserved the coveted Number 1 ranking. In the Sugar Bowl they simply massacred Nebraska — and did you see what our Gators did to Georgia Tech!

Just who is Number 1? I think I know but then perhaps I am not in a position to make an appraisal.

Now concerning churches. I guess every pastor thinks that his church is the greatest. This is as it should be. Far be it from me to tell any pastor that he is wrong. Please do not think that I am prejudiced, but I am absolutely certain that THIS church is Number 1. There simply is not a finer one anywhere on the face of the earth.

We have just completed a great year and '67 promises to be another great one. You have rendered a good account of your stewardship. Because of your faithfulness we have gone well beyond our budget needs for the year. We have exceeded our Lottie Moon goal by \$2300.00 and gifts continue to come in.

It is my prayer that more and more of you will seek to make the teachings of Jesus relevant in every phase of your life. As we do so, we will find the happiness that should be ours in Christ Jesus.

Sunday we shall welcome Dr. Leo Green back to Pensacola. I am really looking forward to welcoming Dr. Green — AND YOU — to the services Sunday.

Faithfully your pastor,

*James L. Pleitz*

**LIBRARY NOTES**

"There are people who go on indefinitely preparing for life instead of living it," says Paul Tournier in his book, **The Adventure of Living**. Stage by stage through each of the three parts of the book — The Adventure, The Risk, The Choice — he shows that in each human being there are two selves — the one presented to the world, and the hidden true self. In the struggle to integrate these two selves man finds the real adventures of living.

He also believes that until people admit this and face up to the fact that only through holiness and a deeper knowledge of God can they fulfill themselves, true happiness will elude them.
