GOD AND YOUR VACATION PLANS

It won't be long now. In just a few short days school will be out. (If you want this in hours and minutes, ask your child. He can tell you.)

I guess all of us look forward to the summer. This is the time of June apples and watermelons and vacations! The most appealing song now is "Come Fly With Me."

How does God fit into your vacation plan? Does the question sound irrelevant? I can assure you, my friend, it is a perfectly legitimate question. We will all answer it in one of three ways:

Some folk will take A VACATION FROM GOD. Church attendance during the summer months is usually the lowest of the year for the simple reason that some people take a vacation from the Lord. Would you believe there are some people who will lower their moral standards during this time? Being away from home and away from the influence of the church some will grow careless about their personal lives. A wise man said, "In all your ways (and during all your days including June, July and August) acknowledge Him and He shall direct your paths." Let's keep our standards high!

Some folk will take A VACATION ON GOD. Because some of us let God pick up the "tab," the offerings for the work of the Lord are at their lowest during the summer. (There are some few people who stay on a perpetual vacation on the Lord at this point. They never give anything to speak of to God's work. These delinquent accounts with God will be settled at a future date, my friends, you can count on it.)

God's money spent on self will buy all sorts of things from A (apples) to Z (zebras). There is just one thing God's money won't buy if spent for self, and that is happiness.

If you will look closely you will notice that on every tenth dollar bill God's picture appears. Washington may be on the other nine but that is the Lord on the tenth one. It is His, please don't take your vacation on God.

Most of the members of this good church will take A VACATION WITH GOD. These are the good folk who will really enjoy their vacations. In fact, these are the people who ENJOY ALL OF LIFE! Make your plans now to take God with you. See to it that your gifts are in before you leave town. Mail a bulletin back to me so I will know where you worship the Lord while you are away. Keep up your Bible reading and prayer. Allow God to sit right beside you all the way. Take God with you on your vacation. It will be the greatest!

Faithfully your pastor,

James L. Pleitz

Leadership Attendance Emphasis

We are asking every worker in our Sunday School to be positively sure that you notify your Superintendent ahead of time concerning any absence. A special chart has been provided in each department. Our purpose is to have "every place (of leadership) filled every Sunday." Superintendents will appreciate any help that you can give in securing a replacement. Let's make this our finest summer.

Vacation Daze

We hope that you have read the front page of this issue. The pastor has urged you to consider God in your vacation plans. One of the things he has asked us to do is send him a bulletin from the church you attend. These and any post cards received will all be posted on a bulletin board outside the Dining Room. It will be of real interest to a lot of us to see where our people are and you may even send us back some good ideas.

Ministry to Older Adults

We are working on a special and new ministry to our Senior Adults. You will be hearing about these plans in the very near future. In the meantime reserve the date of June 27.

Vacation Bible School

The date is July 31-August 11.

Sword Drill Participant

Bill Warren will be participating in the State Sword Drill next Wednesday June 7 at 2:30 p.m. Remember him in your prayers as he represents us.

THOUGHT FOR THE DAY

Beginning on Saturday June 3, we are carrying on WCOA a 1-minute spot at 6:53 a.m. Monday through Saturday. This will be prepared by our Pastor. Urge your friends to listen.
