STEWARDSHIP LESSON TOGETHER WE BUILD WITH CHRIST

One activity of our "Together . . . We Build . . . With Christ" campaign in which all of us can participate is the special lesson in Sunday School on November 13. Special leaflets will be distributed.

Each teacher will be prepared to present the lesson with a special emphasis on the Bible basis of giving and sacrifice for the Lord's work. Each teacher will want to present the lesson in such a way as to challenge each pupil to do his best when he comes to make his pledge toward the building fund.

Dr. Hiram Smith, lesson chairman, will work with the department directors in distributing special materials for teachers next Wednesday night. Absentee teachers will need to contact their director for the materials.

On Wednesday evening, November 9, Dr. Smith will hold a special study session for teachers and workers in the Adult, Youth and Children's departments.

On Sunday, November 13, the teachers will teach these special lesson during this special stewardship emphasis.

EACH PERSON WILL HAVE AN OPPORTUNITY TO MAKE A COMMITMENT

Reproduced above is a sample of the pledge card to be used in our "Together . . . We Build . . . With Christ" campaign. Each church and Sunday School member will have an opportunity to make a pledge.

\$750,000 seems like and is a lot of money. However, when broken down into three-year pledges on a weekly basis, it will mean \$4,808 per week.

The pledge to be entered in this card should not include any amount pledged before. If we reach our goal, it will be necessary to increase what we are now doing for the building fund.

No intensive effort has ever been made to secure building fund pledges. When this campaign is successful, our church leaders feel that no additional building fund campaign should be required for several years.

Your pledge card will be brought to your home by a member of a canvass team during the last 3 weeks in November. Pray about this matter. Each of you must ask the Lord in prayer for the answer to "How much can I give?"

WHAT IS MY PART?

When canvassing gets under way in a couple of weeks, many of us will be asking, "Just what is my part?"

Actually, this is a question that only you can decide. No effort will be made in this campaign to tell any person what he should or should not give.

Although most pledges will be made in the homes, the canvassers will be instructed not to tell any member what he is "expected" to give. That decision must rest with the individual.

Frankly, there is only one way for each of us to determine our pledge. *It should be large enough to represent a real sacrifice.* It must be a part of our very life. Our pledge should show our willingness to do without something this next year we had planned otherwise to have.
