## CHURCH GROWTH CRUSADE

The winning of people for Jesus Christ is the purpose for the existence of a New Testament Church. To help our church improve its effectiveness in evangelistic outreach and Bible teaching, the Church Growth Crusade will begin February 11-18, with a Growth Week emphasis. This week will begin with a study of principles of church growth and will conclude with a massive all-church visitation to begin achieving our number one priority—calling men to salvation in Christ.

Every member of the church will benefit spiritually from their involvement in Growth Week. Your life, and thus the life of your church, can change dynamically as you attend the Church Growth Crusade studies and activities and begin putting into practice the truths learned from God's Word. Clear your calendar of all other activities and make the Church Growth Crusade your number one priority.

You know your youth better than anyone. We would like to draw from that knowledge a plan by which we can better administer to their needs. *You* are desperately needed! Please plan to participate.

Any person interested in this area of youth ministry is invited to participate. The CAC will be open for a fellowship time for the children and youth of those participating.

### REC NOTES

I would like to thank the church family for allowing me to go to Rec Lab at Lake Yale the first part of January. As always the classes and fellowship with other people in Youth and Recreation work was most valuable to my ministry

From this week of intensive training has come new purpose and goals to our recreation program. In the near future you'll be hearing more about Family Recreation at home for and by individual families, and a Church Recreation Week in our church.

So much needs to be done, and I invite you to be an integral part of God's work in this ministry. Don't wait to be called on, Volunteer!
