## DEACONS RECOMMEND THAT THE FIRST BAPTIST CHURCH INAUGURATE AN ON-GOING TELEVISION MINISTRY

An ad hoc committee, appointed to investigate the possibility of an on-going television ministry, has recommended to the deacons that the First Baptist Church commit itself to taking thirty minutes for a delayed television broadcast of the worship services of the church on WEAR, Channel 3 T.V., from 11:00 to 11:30 A.M., each Sunday. The method of paying for the cost of the start-up and the cost of operation is to be studied by the staff, the television committee, and other appropriate committees of the church and will be brought back to the deacons and to the church for approval at a later date. This recommendation was affirmed by an overwhelming majority of the deacons and will be presented to the church for approval on Sunday night.

Bob Hinson is the chairman of this committee. Other members of the committee are Charles Griffin, Bill Gill, Raymond Taylor, T. H. Blackmon, Paul Gray, and T. A. Shell.

## Brian's Lines

I hope that you were here for the Bible Study with Dr. Ray Summers. I was very pleased with your support and especially enjoyed our time together on Saturday. I want to say a special word of thanks to the following people who provided care for our preschool and elementary children: Laverne Bishop, Dean Rector, Sherry Corley and Dorris Fleming.

### WELCOME JERRY AND GINGER . . .

We are happy to welcome this next Sunday our new Minister of Adult Education and his family. These first couple of weeks will be weeks of transition, planning, and getting settled in. I want you to welcome them as warmly as you have us and the Johnsons as they come to be a part of our ministering team. Jerry will give direction to our entire adult education program with special assistance to the single adult, senior adult, and deaf ministries. Be patient with him as he gets to know you. Pray for him as he begins his work.

### THE TRANSITION CONTINUES . . .

It seems that change and flux are a way of life with us right now at First Baptist Church. It is no secret that Dale Taylor has wanted to resign from her responsibilities at the church so that she could spend more time with her family. She has graciously consented to stay with us for well over a year just so the ministry to our children could continue. Since I have been here the Personnel Committee has been actively seeking someone to fill the position of Minister of Childhood Education on a permanent basis. Now that we are ready to make our recommendation, Dale is formally announcing her resignation. Both the resignation of Dale Taylor and the recommendation of Franz Cornelius as our new Minister of Childhood Education are printed elsewhere in the Builder. For eight years Dale has given her life to our church and to our children. There is no way we can ever repay her for what she has done, nor can we ever adequately express our thanks. She is a very special person and one that I have come to deeply appreciate in our short time here. We will miss her on the staff but will continue to have her working in our children's ministry. Franz Cornelius is a strongly committed Christian with a wealth of experience in children's work. You will have a chance Sunday to express your opinion on the recommendation concerning him.

THE CHALLENGE . . . Sunday night you will also have an opportunity to vote on what I consider to be one of the greatest challenges that has faced us as a church, the chance for a week by week telecast of our worship services. Be much in prayer for our church as we consider this matter.

THIS SUNDAY . . . Sunday morning we will dedicate our new babies and I'll

## MINISTER OF CHILDHOOD EDUCATION TO BE RECOMMENDED

Sunday night the Personnel Committee and the Deacons will present a joint recommendation to the church that we call Franz Cornelius as our Minister of Childhood Education. Franz was born in 1940 in Lumberton, Mississippi. He and his wife Franceen are members of our church along with their three girls: Candace, Leanne, and Christy. Franz was ordained to the Gospel Ministry at the Mt. Carmel Baptist Church in Williamstown, Kentucky while a student at Southern Baptist Theological Seminary.

It was while a student that Franz became involved in children's work. For four years he worked as the school coordinator of the Educational Development Corporation in Nashville, Tennessee which was a learning center for children with learning disabilities. He supervised a staff of 36 and developed the teaching program in the school.

From 1972 to 1975 he worked as the directing manager of the Kadis Learning Center which again was a learning institution for children with learning disabilities.

During this period of time he continued to feel the leadership of the Lord to complete his education and use the experience he had gained with children in a church situation. This led him to begin Seminary again, this time at New Orleans Theological Seminary where he will finish with a Master of Divinity Degree in March. He has his Bachelor's degree in early childhood education from Mississippi State University.

Franz has been an active part of our church assisting Joe Palmer in the recreational ministry, serving as Dale Taylor's assistant over the last few months (on a volunteer basis), and directing our Middle School Church Training Program.

Franz will serve in a part-time capacity until March when he finishes his seminary work, at which time his position will become a full-time one.

Franz will be responsible for the direction and administration of a comprehensive program of Christian education for both children's division, preschool and elementary. We are fortunate to have someone with his knowledge and experience to fill this position. This recommendation comes with the full support of the pastor.

preach a sermon on parenting. Sunday night I will give an introduction to John's Gospel. I'll see you there for another exciting day.

## REC. NOTES

We still have a few FBC jackets left. They are nylon and are lined for only \$12.00. There are boys' and men's sizes left in both navy blue and yellow. Get yours before they're all gone.

If you're new in the church and don't know about our name tag system at the Activities Center, or even if you've been around a long time and just haven't gotten yours, now is a good time to come over and sign up for one. For only \$2.50 each (or a maximum of \$10.00 per family), your 4-in-1 name tag will:

1. Allow you to check out equipment quickly and easily.
2. Help you get to know people you might not know.
3. Help us keep a count of how many people are using our facilities.
4. Make it much easier for you to check in and out of the Activities Center.

Now that the new year has started, we find that we need a few more volunteer workers at the Activities Center. If you could spare us one night a month, probably on a Wednesday night, 7:15-9:30 p.m., or one Family Night, Friday, 6:30-10:00, please call us at the Activities Center. This is a great service to your church and your Lord, as well as an excellent way to get to know your fellow church members, especially if you're a new member yourself!

After getting to Dallas, Clyde Bizzell realized that he would not be able to take the trip to the Holy Land which the church had given him in the immediate future. Consequently, the deacons voted to give the money to him that the church voted to give and allow him to use the money when such a trip could be planned. Upon receipt of the money, the following thank you note was sent to the First Baptist Church.

Congregation  
First Baptist Church  
Pensacola, Florida

Dear Friends:

I have this week received a most generous check from the church. I wish that it had been possible for me to have taken the extended trip to The Holy Land as suggested, but that just wasn't possible. I am not sure at this time just how or when your gift will be used. I may have to take a briefer trip, or a couple of them. Just as I loved you for the original thought, I love you for the confirmation, and for the anticipation of using this love gift.

I hope that 1979 will be the best year ever for you as individuals and as a congregation.

Gratefully,  
Clyde K. Bizzell
