Brian's Lines

The immediate response to my sermon on Sunday morning has been tremendous. I am thankful for those who came forward Sunday morning. I am grateful for the many who have called and expressed their commitment. I was thrilled by the 200-250 people that went out to visit on Sunday afternoon. Sunday was a tremendous day.

The key is going to be the continued response as we do the things that need to be done in the days ahead.

Let me give you a specific way you can show your response in the area of *giving*. On May 20 we are going to have a catch-up offering day. We need at least a double offering on that day. That means \$32,600 in budget offering on that day. How can we do it? There are several approaches. Those of you who have not given anything this year so far can use that as a day when you recommit your finances to the Lord with a large offering. I would like for everyone to try tithing on that one Sunday. There are many of you with large resources who could give an extra \$1,000 or more on that day. There are others of you who could give an extra \$1 or \$10 or \$100. And if everyone will be willing to do what he is able to do, it will add up and we will go well over our double offering goal. We must make up some of the deficit so that we can go into the summer with a strong financial stance. And only you can make it happen. I'm counting on you on May 20.

Let me give you a specific way you can show your response in the area of *going*. Our attention is focused on May 20, high attendance day, when we are attempting to have 1979 in Sunday School. I believe it can happen. But it will take an all out effort on the part of every person. All of our regular members must be there on that day. Large numbers of our people who have drifted away and become inactive must come back to Sunday School on that day. And everyone of us must bring someone to share in the excitement of the day. Our high school youth must bring their friends to hear the testimony of Miss Alabama. Can you imagine the excitement of 2000 souls studying God's

Word? Can you imagine the thrill of an overflow crowd and chairs in the aisles in the middle of May? Can you imagine the blessing of seeing dozens of decisions for the Lord? Let's make it happen for God's sake and for the sake of what God wants to do through this church.

MAY 20 is going to be a day to remember. And you need to be a part of it.

ON THE BRIGHT SIDE . . . Did you notice in the Florida Baptist Witness the report of Cooperative Program giving for the first six months of this year (they

figure it from October to October). First Baptist Church, Pensacola, continues to lead the state in Cooperative Program giving. That speaks well of our church and is an important part of the stewardship of our church. And were you here for the youth service Wednesday night? It was fantastic. Thanks to all our young people for their contribution to the life of our church. I'll see you Sunday for another exciting day as we recognize our mothers, dedicate our babies, and share in the blessings of God.

DAYS OF GRACE . . .
DAYS OF GLORY
presents

"Parent-Baby Dedication Day"

As part of our special emphasis on Days of Grace and Days of Glory this Sunday we will be focusing on the newest members to our church family, our babies.

The significance of this service is the dedication on the part of the parents, as parents come in the same spirit of Hannah, the mother of Samuel, who first having yielded her own will in dedication to God, dedicated her child to the glory of God. (I Samuel 1:24-28)

This will be a meaningful service for all of us as we rededicate ourselves to the task of bringing up every child in the "nurture and admonition of the Lord."

BEACH AND SUN FUN

The seagullers were not the only birds enjoying the Gulf and Sun cast Saturday. The Middle School Training Union had a beach party and everyone received their share of sun!

The water and weather was perfect and so was the group. The Kite contest didn't get too high off the ground, but we did have a winner with 50 points for best made Kite even though it didn't stay in the air for five minutes.

A hardy thanks to Joe and Glenda Phillips for helping us. Mr. Phillips cooks a mean Hot Dog!

Who was that masked Lady driving the bus? Was that Charlie Faye Wilson?

BUS MINISTRY
CONSOLIDATED

Following an extensive study of our Bus Ministry and a recommendation approved by our deacons, we are taking steps to consolidate and improve our Bus Ministry. We will spend the next five months trying to work out the problems that have kept this ministry from being as effective a part of our outreach program as it needs to be.

During the interim time Ray Malone will be giving overall direction to the program. He will be working with the Bus Ministry Committee and with the church staff.

Rather than seven routes, we will now have four routes on which the buses go to pick up children. In addition, the two vans will be used to pick up the handicapped children who come and elderly persons who need a ride.

Listed below are the workers for each of the routes. Let's keep them in our prayers.

A WORTHWHILE AND
FUN PARTY

This past Saturday the youth had a beach party at the beach homes of T. A. Shell and Alvis Ford. There was water skiing, sailing and lots of sunshine. It was a great fellowship and we look forward to many more such fellowships. A special thanks to Bob and Charlie Faye Wilson, Ed Nixon and Linnea Daniel, Mike and Joyce Hendrix, who made the skiing possible. Oh yes, and a special thanks to Bob Gowing for the special uplifting sailing rides! We are especially thankful to the Shell's and Ford's for sharing their homes and boats with us. Thank God for caring Parents.
