Brian's Lines

There is in America today a growing hunger for the study of God's Word. Never has the church had such an opportunity — and responsibility — as today. These are exciting days to be a part of the church, and God continues to bless us richly.

FOCUS ON THE FAMILY . . . This is the month of focus on the family at First Baptist. My sermon on marriage and divorce Sunday night was the first of a series of three. I am hopeful that our Family Forum this week will open our eyes to some more ministries to the family that we need to be concerned about. We would also like for you to find one night this month to have a "Family Night at Home." We will be providing some suggestions for this "Family Night at Home" in the Builder each week. As never before, the home is under attack. Therefore, as never before, we must do everything we can as the church to strengthen the family. I have been pleased recently to become acquainted with Dr. Ronald Guy who has just set up a Marriage and Family Counseling Service here in Pensacola. Ron is a certified clinical member of the American Association for Marriage and Family Therapy. His phone number is 432-3692. His office is just around the corner from the church at the Olde Townhouse Square. His commitment is to help strengthen family life from a Christian perspective. If you need him, I hope you will call on him. He is an ally in our commitment to strengthen the family.

TAPE MINISTRY . . . Every week, both services at First Baptist are taped and made available to you through the library. Letcher Lamkin is in charge of this important ministry. The minimal charge for the tapes just covers the expenses involved in the ministry. If you are interested in getting copies of the sermons for further study, call the church office. Share these tapes with others. It is a way of extending the ministry of our church. While you are in the library you can also

WMU Focus Week—February 10-16

**WMU, First Baptist Church,
proudly focuses on Pat Ford
During WMU Focus Week.**

Mrs. Al Ford, for many years the guiding force behind an ACTEENS organization recognized for excellence convention-wide, is also a BAPTIST WOMAN. When she is on a program, we know we'll have a full house. She has served as a group leader and continues to fill requests to speak at state and convention conferences. Her articles have been published in several Southern Baptist publications.

And now, Pat has been invited to be a part of a major city evangelization project this summer in the Republic of Korea — serving as a personal witness in two church revivals.

If you would like to be a part of Pat's "missionary journey" by helping with her expenses, please send your contributions to the church office, indicating that it is for Pat Ford's trip.

pick up the printed copies of two sermons each month. The sermons that are available now are "Parents Who Honor God" and "The Motivation of the Church." The latter is the sermon on prayer which I preached a few weeks ago.

THIS SUNDAY . . . Because of the world crisis and our deep concern as to what we should be doing, I am going to preach a sermon Sunday morning entitled "The

Christian and the Mid-East Crisis." Invite your friends and come. Sunday night I will be preaching the second in a series of sermons on the family, "Spice for the Spouse." We will also have our Wedding Bells Service Sunday night. And Sunday morning a special guest, Dr. John Morgan from William Carey College in Hattiesburg, will present a mini-concert. It is going to be an exciting day. I'll look for you.

IDEAS FOR FAMILY NIGHT AT HOME

Let one member of the family request a particular menu for the meal on Family Night at home. The table may be decorated with a special centerpiece which depicts a certain theme or Country where that meal is popular.

After dinner, set a tape recorder in the center of the family and record the conversation for future reference and memory. Some interesting topics to stimulate conversation are: (1) Favorite vacations, (2) Memories of fun times together, (3) The funniest thing that ever happened to you, (4) Mom and Dad's school days, and (5) The time you felt closest to the Lord.

You now have a reservoir of memories that your family will always cherish. Conclude the evening with a devotional time together accenting the values of a strong family.

MEMORIAL FLOWERS

The flowers in the Sanctuary this Sunday are in memory of Troy O. Harmon and are given by Bill, Deanne and Rusty Harmon.

The Music Ministry

Growth

All of our musical groups are experiencing growth. The Adult Choir had 75 at rehearsal last week. The Youth Choir had more persons with 100% and 86% during January than the previous months. Our Graded Choirs are responding well to the high attendance effort they are engaged in.

Now is the time to join a choir while all groups are looking for new members. The Adult Choir is working on The Messiah by Handel for Easter and Christmas, 1980. The Youth Choir is working on "The Gathering" by Ken Medema for presentation in August.

Associational Festival

Our Pensacola Bay Baptist Associational Youth Music Festival will be held at Myrtle Grove Baptist Church, on March 9, 2:00 P.M. Our Youth Choir and Middle School Choir will be singing as well as the Celebration Singers and the Youth Handbell Ringers.

Ladies' Chorus

On Sunday Evening, February 24, the Ladies of our church will meet in the choir room at 6:00 P.M. for a brief rehearsal. They will sing for the Evening Worship at 6:15 P.M. All Ladies of high school age and above are invited to meet Mr. Kerrick in the choir room.

WMU Focus Week—February 10-16

What Is Woman's Missionary Union? - Have You Found Your Place In The Organization? - Let's See Where You Fit In!

MISSION FRIENDS

COME TRAVEL WITH US!!!! Every Wednesday night our Mission Friends (preschool boys and girls ages 2 to 5) take a trip to a different place of our world and visit a missionary family. Sometimes we sample ethnic foods, play a game native to the country or learn a few words in their language. Other times, we stay at home and we are the missionaries making Christmas crafts for the nursing home or bringing fruit for Thanksgiving baskets. There's so much to learn about the United States too. Please join us for a fun and exciting adventure after dinner on Wednesday evening.

GIRLS IN ACTION

What in the world do girls between first and fifth grades do in G.A.'s? During weekly meetings the girls participate in large and small group activities learning about and experiencing what our home and foreign missionaries do. During the year many activities are carried out to emphasize missions in many ways. The girls enjoy slumber parties, mission studies, a Dad-Daughter banquet, a Mission Adventure Award Banquet, and other special times of mission learning and mission action. Mission action projects in the local area provide rich learning opportunities for the girls. Wouldn't your daughter like to join Girls in Action on Wednesday night from 6:15 - 7:30?

ACTEENS

The word "Acteens" is coined from the words "action" and "teenager". Acteens is for girls in grades six through twelve. Acteens is for those who are not content to wait until they are adults before doing something about changing the world.

The world which forms the basis of the "a" in the Acteens insignia shows that world missions is the prime interest of the organization. The arrow which forms the stand and top of the "a" indicates that there is action and involvement in world missions. The "a" itself stands for the organization title.

Acteens are involved in missions through weekly mission study, praying, and giving to support missions, going out into the community to witness and engage in mission action. State Cometogthers and Associational meetings give Acteens an opportunity to meet missionaries and attend interesting conferences. . . . Acteens is an exciting place to be. Join us on Wednesdays from 4:45 to 5:45.

BAPTIST YOUNG WOMEN

Does a night out one night a month (with the girls) sound like fun? What if these girls are Christians involved in practical ways of applying the teachings of Christ? Well, that's what BYW night group is all about. We meet to educate ourselves about what Southern Baptist are doing on the mission field, to pray for their efforts and to become involved in various projects that we select. Join us the first Tuesday night of each month at 7:30 in one of our homes.

"Missions" is a word as wide as the world! Every Christian is called to be a witness of their faith wherever they are, so Baptist Young Women is more than an organization; it is an opportunity for young women to learn what the Bible has to say about missions and what we Baptist have done and are doing about missions in our world. In BYW we learn about, give to, and pray for missions as well as have an opportunity to witness and minister in our own community. Visit us on the first and third Tuesdays of each month at 9:00 A.M. in Adult II Department. The nursery is provided.

BAPTIST WOMEN

Ladies, if you have not found your place in the above groups, this is it!!!! As Christians, Jesus has commanded us to be involved in witnessing for Him in our homes, our community, our country, and the world. Are you doing your part in all these areas? Baptist Women is your opportunity to join with other ladies from all over the Southern Baptist Convention to learn about Biblical missions, what others are doing today in missions, mission support needs for prayer and financial giving, and mission action opportunities in the Pensacola area. Our Baptist Women offer various groups with both day and night meeting times to meet your schedule needs. Visit with us on the first and second Tuesdays of each month for an educational and inspirational time of missions. The Builder will give specific times and places prior to our meeting times.

JUST FOR YOUTH

By FRANZ CORNELIUS

Congratulation Amy

The Junior Miss Pageant for Florida was held here in Pensacola this past weekend and our own Amy Andrews was the Junior Miss representative for Escambia County. One of the sponsors of the pageant, the Eastman Kodak Company challenged the girls to develop a theme and illustrate the theme with three pictures. These pictures had to be taken by the girls. Out of all those girls Amy won the Kodak award. Her theme was, alone with God, self and nature. The theme suggested that young people today need to spend time alone with God, themselves and nature. We're proud of you, Amy. Congratulations!

Middle School Summer Camp

Middle Schoolers get your calendar marked for this year's summer camp! August 20 thru 23 we will be going to Blue Lake. There will be swimming, canoeing, new games, movies, gimmicks and super fellowship. This year's Camp Theme and Bible

Study will be DISCIPLESHIP FOR NOW. We will have a very special person leading us in these studies. Did you do it? Did you mark your calendar for camp August 20-23? Stay tuned for more details.

Middle School Six Flags - Atlanta

Mark this one down too. June 20 thru 21 we will go to Six Flags in Atlanta for fun and fellowship. If you are a regular Sunday School Attender between now and June 15! What is a regular Sunday School Attender? A person who never misses more than one Sunday a month except for sickness verified by parents. A few other acceptable reasons may be considered by your parents or Uncle Franz. A regular attendant also studies his or her lesson and telephones visitors and others to encourage them to attend Sunday School and church regularly. We'll be talking about the trip more later.

Ski Trip Meeting

There will be a meeting immediately after church Sunday night, February 17, for parents and participants in the Youth 13 Room (CAC).
