### *Brian's Lines*

We had a great start on our revival. The services were well attended. Significant decisions were made. Our visiting team is outstanding. This is going to be a week of real importance in the life of our church and I hope that you take full advantage of it.

**FOUNDER'S DAY . . .** All of our attention is now being directed toward Founder's Day on May 4. This day will climax our emphasis on Spring Life. It will be a high attendance day in our Sunday School. We will be registering all of our Sunday School members that day and giving them special name tags. We will give recognition that morning to all of our long time members and inaugurate the 50 year members into our Heritage Club. The worship service will focus on "The Old Time Religion." Sunday afternoon we will fellowship as a family of faith at Bayview Park. It is going to be one of those kinds of days that every member of this church needs to be a part of. Will you today mark your calendar? If you have something planned for that weekend, change it if you can. The day is going to be that important. We want you to be here as a part of this special celebration. May 4 is going to be Founder's Day and it will not be complete without you.

**SINGLES ALIVE . . .** One of our fastest growing groups right now is our Singles ministry. The leadership of the various classes and departments are doing a beautiful job under the leadership of Jerry Spivey in reaching more singles and making First Baptist Church the singles place to be in Pensacola. Do you know a single? Are you one? There is a place at First Baptist. Why don't you bring someone who is single to our church this Sunday and help them to be a part of this vibrant, growing ministry.

**THIS SUNDAY . . .** Mark Short is going to be preaching for us both morning and night. He is a friend of First Baptist and I know you will be here to support him. Sunday evening we will have a special concert by Chris Watson. Come be a part of the continuing spirit of revival at First Baptist Church.

### COOPERATIVE PROGRAM DAY APRIL 20

#### GLORY TO GOD!

One of the items in our First Baptist Church budget that gets wholehearted support is our gifts to Southern Baptist causes, about \$160,000.00 in 1980.

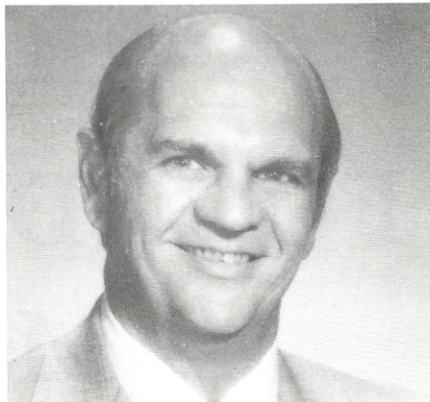

According to widely publicized figures in the secular and religious press, the income of various television programs looks like this: Oral Roberts, 60 million; Herbert W. Armstrong, 75 million; Jerry Falwell, 46 million; 700 Club, 30 million; PTL Club, 25 million; Rex Humbard, 18 million; Robert Schuller, 11 million. This totals 293 million dollars and has produced two churches, five schools, one hospital under construction, and some mission work of limited nature.

Southern Baptist Convention income is 316 million dollars. What is the result of that? Six seminaries with 10,000 students preparing for full time Christian work around the world, sixty-seven Christian colleges, eleven hundred student workers on eleven hundred campuses across the nation. Besides all that, there are six thousand full time missionaries in ninety-four countries. There are literally dozens of hospitals scattered across the world ministering to people who are truly in need. This world-wide witness for Christ in America and abroad has resulted in 1,000 converts and baptisms each day for the last twenty-five years. GLORY TO GOD! . . . and let's be thankful for the Cooperative Program.
