### Brian's Lines

What an outstanding attendance in worship service on Sunday morning. It was probably our largest worship attendance since Easter Sunday. And on the first Sunday of summer, that was remarkable. I am so thankful for the continued faithfulness of our people.

GOD AND COUNTRY SERVICE . . . On Sunday, July 6, we will have a special God and Country Service. In the morning worship service, Captain McDaniel, who was formerly a member of our church and Commander of the Lexington, will be with us to bring the morning message. I know you will want to hear him. He is an outstanding Christian layman. Then on that Sunday night we are going to have homemade ice cream for the entire church family on the South lawn immediately after the evening service. I hope you will begin now to make plans to attend that service and bring some of your friends with you.

READING CLUB . . . I saw a startling statistic recently. According to this report, 56% of American adults have not read a book since they got out of school. That is amazing. One of the best ways to develop our minds is to feed them some good books. That's why I like the idea that Mrs. Boykin has developed this year for the Reading Club. Last year she focused on the children. This year she is going to focus on the entire church. Read the *Builder* for more details on the Summer Reading Club at First Baptist Church. Remember, reading isn't just for children anymore.

JONAH . . . Mention the word whale (or big fish) to a Bible student and the first think he will think of is Jonah. Jonah is one of the best known characters in all of God's Word. But embedded in the Jonah story are some important truths from God that we often overlook. We are going to study Jonah this Sunday in the sanctuary Bible class that I teach. If you are not in Sunday School, come try my class this week. And bring a friend with you. We're having a great time.
