Brian's Lines

It was a good idea, and I think that it has created a real sense of excitement. I'm talking about the Revival Rally last Thursday night. Nearly 300 of our people came out to meet Joel Gregory who will be our revival preacher. It was a tremendous evening, and everybody seemed to be deeply impressed by the possibilities before us in these days of revival. Remember to pray for Joel daily, and for Don Blackley who will be coming to lead in our music. Joel put

his finger on the key for our church, a willingness to reach out in our sphere of influence and touch those around us with a word about Christ. Begin now to share your faith, to publicize the revival, to invite friends and neighbors to attend with you during the week of March 14-19. I want to say a special word of thanks to the secretaries who gave one of our revival committees a great deal of help in personally contacting our people about the revival rally. It was a cooperative effort, and the results were very satisfying.

WEDDING BELLS . . . rang again Sunday night as many of our couples renewed their vows to each other. I have learned that one of our couples, Mr. and Mrs. Theron Guthrie, will celebrate their fiftieth wedding anniversary on this Sunday, February 21. Congratulations!

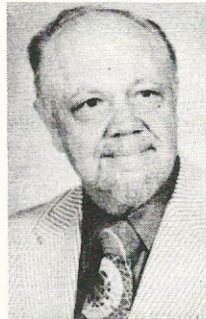

COOPERATIVE PROGRAM GIFTS . . .

I received a note from the Stewardship Commission in Nashville, Tennessee, congratulating our church for being among the leaders in Cooperative Program Gifts in the state. We were one of six in the state to give over \$100,000 last year, and one of three in the state to give over \$150,000. What a thrill to be a part of a church with a true mission vision.

CONGRATULATIONS . . . to Dung Nguyen who was selected to represent Pensacola High School in the Society of Distinguished American High School Students. She is only a junior, and has only been in our country seven years. This is quite an honor for her.

THIS SUNDAY . . . will be very special with our guest Don Hustad, who will be in our church for Composer's Day, and with the reception for Jay and Jerilyn Johnston Sunday evening. Sunday morning I will continue in my series of ser-

"Welcome Aboard," Jay and Jerilyn!

mons for our Pastor's Pals emphasis. The sermon will be entitled "Young Joseph." Sunday night I will return to my series

on prayer with a sermon entitled "Intercessory Prayer." I'll see you here for another exciting day.

Let's Talk CAC

10 Ministries

By Jay Johnston

The Christian Activities Center offers a variety of ministries for all ages. In the days ahead we hope to continue building on the foundation that has already been poured for this unique ministry. Many folks have asked me what ministries the Christian Activities Center provides. Listed are some specific areas.

"For you have been bought with a price; therefore glorify God in your body."
I Cor. 6:20

1. **PERSONAL FITNESS** — One part of total fitness is personal fitness. Every man and woman has been given a body by God to live in for the period in which they exist physically in space and time. We have a responsibility to take proper care of our bodies: to protect it, to give it the exercise it needs regularly and enthusiastically, and to keep it fit spiritually, psychologically, and physically. Through the programs offered by the CAC staff you can maintain and strengthen your personal fitness.
2. **ARTS AND CRAFTS** — The crafts program is a vital part of FBC recreation. We hope to expand this ministry to provide an opportunity for all ages to be creative and express themselves in a unique way.
3. **SPORTS** — The opportunities are great! We are looking to expand our sports program, not only in the church league but through intramurals and lifetime sports. We hope you will become a part of this very exciting ministry either as a player, coach, or spectator.
4. **SOCIAL RECREATION** — This is an opportunity to involve yourself with people, through a party, fellowship, or similar activity. The CAC is your resource center in helping Sunday School classes, departments, individuals, or any organization of the church with any activity.
5. **SINGLE ADULTS** — Single adults are special people at FBC and special programs will be offered to minister with singles through recreation.
6. **OUTDOOR RECREATION** — This ministry puts Christ at the center of the natural environment God has provided and uses nature to bring us closer to Him through camping, canoeing, back packing, fishing, skiing, and sailing.
7. **PUPPETS AND DRAMA** — These are tools that can express the Gospel in a unique way. The CAC will provide opportunities for those interested in expressing themselves in this manner.
8. **RECREATIONAL GAMES** — Games are fun and offer a good opportunity to meet people. The CAC has many games and we encourage you to take advantage of them.
9. **FAMILY AFFAIRS** — Because families are such a vital part of FBC one entire part of the CAC ministry is devoted to them, and we are exploring new ways of bringing families together. We hope you as a family will become involved in the opportunities offered by the CAC.
10. **SPECIAL MINISTRIES** — This ministry includes many seasonal activities and some that have been continually led by FBC; such as the Challenger Award Banquet, Founders Day Picnic, CAC Open House, etc.

These areas of ministry are stand-outs of the Christian Activities Center of First Baptist Church, Pensacola. They can enhance the total church program in striving to build relationships with Jesus Christ and His followers. May you choose your area of recreation and become a part of a growing ministry.

A SERIOUS PLEA FOR "HELP!"

Extended Session (during the 11 o'clock worship service) is an extension of Sunday School for children from birth through four years of age. What happens during this time is very important to the children and to the 11 o'clock service.

We must maintain ten classes. This means 40 people a month (or 50 when a five-week month occurs) are needed to staff these classes, in addition to a paid worker in each. The program is for parents and depends upon parents taking their turn. We are grateful for those who are not parents who have taken turns.

We have enough volunteers to serve for a two-month schedule — each person serving one Sunday every two months. We would like to increase this to a three-month schedule. To help for one hour every three months is not a lot to ask!

To love and be loved in return by our children is a special joy. Don't miss out on it — try it!
