Brian's Lines

As we move toward the Fall the pace will begin to quicken. The kickoff for our Wednesday night programs will be August 31. Following the meal, we will go "UP, UP AND AWAY" as we enroll our children

in the music and mission organizations. We will help the youth get into the "back - to - school" mood with a weekend extravaganza just for them. It will include a mini - retreat for the High School Choir at the church on Friday, August 26, and some

beach happenings on Friday afternoon and Saturday. Then, in the worship services on Sunday, Jay Wolf will be our special guest as we involve our youth in the Sunday worship services. Then, on Sunday night, we will have a youth fellowship for all our young people. Our deacon election will be on September 18. And then, we will have a promotion day in our Sunday School on the first Sunday in October. These next couple of months will be significant days for our church. You will not want to miss them.

SINGLE ADULTS . . . are special at First Baptist Church. Under the direction of Jay Johnston and with the cooperative leadership of our lay people, the singles ministry has been growing at First Baptist. We are looking for space now to expand our Sunday School. They are leading out in visitation and in ministry. And they are making a significant contribution to our music ministry. This Sunday night, the College / Single Adult Choir will be presenting a special music program. I know you will want to share that time with them.

MISSION ORGANIZATIONS . . . are very strong at First Baptist. Beginning with our WMU and going all the way down to the Mission Friends, they are helping us learn more about missions and give more to missions and pray more for missions. On Sunday night, August 21, we will recognize all of our children and youth who are involved in G.A.'s, R.A.'s, and Acteens. This has become an annual event which we have enjoyed each year. Mark that day on the calendar and be here for the mission recognition service and the all church fellowship that follows.

AS WE CLOSE OUT THE SUMMER . . . I want to thank you for your faithfulness. You could have really let down with the many activities that were planned and

especially the trip to Japan that took so many of us away. But you didn't. You remained faithful in your attendance and support. As your pastor I want to thank you for that. And I challenge you to join me in making this our greatest Fall ever. DON'T FORGET THE PRAYER ROOM . . . Although my addition was a little faulty in last week's column, my approach was not. It is 90 half-hour segments and

not 100 that we need to have filled in the prayer room. Will you sign up for one half-hour during the week to pray for the ministry of our church?

THIS SUNDAY . . . I will be back in the pulpit. I will be continuing my series on Ecclesiastes Sunday morning with a sermon entitled, "A Realistic View of Man." The text is Ecclesiastes 8-9. I'll see you here for another exciting day.

MUSIC MINISTRY

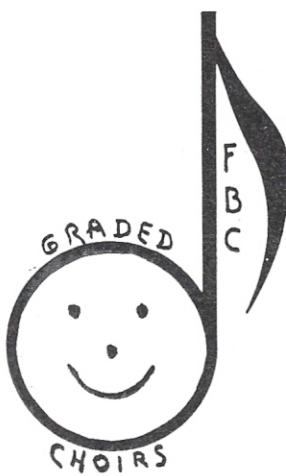

Mike Simoneaux

This week while the Pastor and Bill Santo are on vacation, the rest of the staff is spending additional time in visitation and making sure all of the needed ministries are carried out. So, if you need to be in touch with me personally, please call the music office and make sure I am going to be in. Join with me in wishing the Harbour's and Santo's a super time of vacation.

PARENTS OF GRADED CHOIR MEMBERS — This year is going to be a milestone in Graded Choirs of FBC. As we have mentioned before, Mrs. Flo Minchew, our Graded Choir Coordinator, has developed a program of instruction for the choirs which will lead the children into becoming a music reader by the time they are in 4th and 5th-grade choirs (Young Musicians). Can you, as a parent, read music? Don't you want your child to be a functioning music reader? Make attendance in choir a priority item in your family this year.

1983 - 84 choir year will be one of transition as we try to bring each choir up to its grade level. In order to do that, attendance *has* to become a priority for each choir family. In addition, Flo and I will be working privately with what we term "non-singers." So, if your child is having difficulty singing, encourage him or her and bring them to choir because there will be special help for them. We have utilized our Music Ministry Eighth Note Emblem as the basis for our new Graded Choir logo. This will be available to children as rewards for attendance during the year.

HIGH SCHOOL CHOIR — I am excited about the new year. Singing with Ken Medema, retreats, a mission tour next summer are but a few of the many activities planned for High School Choir. If you are not a member and want to join, come this Sunday for rehearsal at 6:00 P.M. There will be a pool party after church on Sunday evening, August 21st, at the Simoneaux' home. This is for new ninth graders, old choir members and out-going seniors. Bring your own towel.

Rough sketch of Graded Choir logo.

JAPAN CHOIR PARTICIPANTS — Please turn in all your music to the Music Office as soon as possible so we can get it back in its place in the music library.
