## Brian's Lines

It was good to observe the Lord's Supper again with the church family. This is always a meaningful time which reminds us of our interrelationships with each other and our total dependence upon God. Remembering again the price of our salvation makes the term "Amazing Grace" come alive with new meaning to us. Special thanks goes to Bernie Stinson and

  
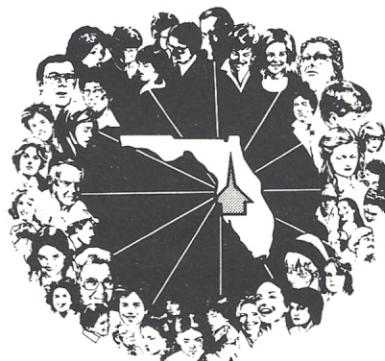

her committee for helping everything to go smoothly.

WEDNESDAY NIGHT . . . was a real thrill as our children came to sign up for the mission and music program of our church. I want you to notice that after all the big talk, only Eddie and I sat on the dunking booth. I would think that would clearly reveal which of our staff is the most dedicated! Others would suggest that what it proved is which of our staff is "all wet"! Whichever conclusion you reach, it was fun. Around 600 ate supper on that sign up Wednesday night and we should go up to near 700 on our first night of our Fall program. Wednesday nights are special at First Baptist Church. I hope you will join with us.

THE ELECTION OF DEACONS . . . is an important time in the life of our church. The date of the election is September 18. This Sunday night in the evening service I will introduce all of our candidates for deacon. I want you to know who they are so that you can put names and faces together. This is not to suggest that this should be a popularity contest. We are seeking to elect the men that can best lead us at this time. But the introduction will help you make an intelligent decision. Pray about the matter and that will help you to make a Spirit-led decision.

THE BUDGET PROCESS . . . for 1984 has begun and things are looking good. A very positive spirit has prevailed and we feel that we will be able to come to the church with a strong budget that will be challenging and yet reachable as we move into 1984. Be praying for Gene Langston and this committee as they continue their deliberation.

SINGLE ADULTS . . . want to be the church, too. So declares a book on singles by a popular author. And they do. Singles are more concerned about being involved in the life of the church

## Sunday School Leadership Training Coming Up! September 25 and 26

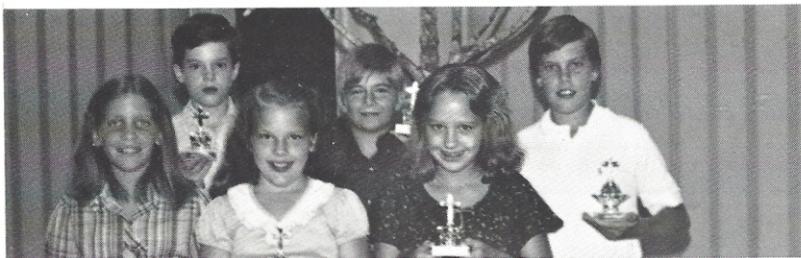

Beginning at 4:00 on Sunday and concluding with an Appreciation Banquet on Monday evening.

now than they have even been. And at First Baptist, we have seen it happen in a remarkable way. Our singles ministry is growing and will continue to grow. And these singles are becoming vitally involved in every aspect of our church life. That is why on this Sunday, September 11, we will be celebrating along with the rest of the convention, Single Adult Day. My message Sunday morning

will relate to singles. They will be recognized in other ways throughout the day. If you know a single, bring them to church with you this Sunday.

SUNDAY NIGHT . . . we will be having baptism. And I will begin my ten-sermon series on the book of Revelation. I'll see you here Sunday for another exciting day in the house of God.
