## *Brian's Lines*

It is hard to believe that we are already into the summer. The month of June is here, school is almost out, and people are beginning the vacation season. The Memorial Day Holiday affected us some this last Sunday, but we had a tremendous crowd on Sunday night. Thanks for your very positive response to the sermons Sunday, especially Sunday night.

MISSION EDUCATION . . . is a vital part of our teaching ministry at First Baptist Church. The R.A. program, the Acteens program, the G.A. program, and the Missions Friends program are a vital part of this education process. This Sunday night we will have a recognition service for our mission organizations. I hope you will be here to support them.

I HAD THE PRIVILEGE LAST WEEK . . . of flying back to Pensacola in the same plane with Charles Reed. We sat next to each other during the flight and I had a chance to find out how things are progressing in their move. He and Carolyn have made the break with their church in Tampa, and will soon be with us. Let's pray for them as they make their transition and begin working with our singles and evangelism program of our church.

SUNDAY AFTERNOON . . . will be a very important time for our church. I will be meeting with a group of people who represent various aspects and areas of our church's ministry. I have presented to them an overview of some of the alternatives before us as we consider providing space for continued growth in our church. We will spend much time in prayer together and then seek God's leadership as we develop some plans that will be presented to the deacons and to the church for consideration sometime in the future. Pray for us now.

FUN TIME IN THE SUNDAY SCHOOL THIS SUMMER . . . Last summer our SSSSS (is that enough S's David?) really gave a strong boost to our Sunday School during the summer. This year, David and Eddie and Dot have come up with a new emphasis. You will be hearing more about it soon. But remember, the Sunday School is the heart of everything we are doing. Let's keep it strong, and alive, and growing.

## Sunday Evening Summer Schedule Begins June 2

Church Training . . . . . 6:00 P.M.  
Evening Worship . . . . . 7:15 P.M.

### SUNDAY, JUNE 2

## Recognition Service For Girls In Action And Acteens

7:15 P.M. in the Sanctuary

Please make plans to come and give your support to these fine young girls who have demonstrated such an interest in missions. A reception will follow the service in the dining room.

## BAT 1.000 THIS SUMMER!

A perfect "batting average" of 1.000 is possible for you if you are present in Sunday School each of the 13 summer Sundays. Be present in your Sunday School department this Sunday to learn which "team" your department is on and to sign a card committing yourself to be present at least 10 of the 13 summer Sundays.

THIS SUNDAY . . . I will try again in the morning services on the sermon, "Turning From God" from Romans 1:18-32. Sunday night we will share with our mission

organizations in a time of recognition. Remember, the evening service will begin at 7:15 this Sunday night. I'll see you here for another exciting day.

FBC PRAYER MINISTRY

"But now, O Lord, thou art our father; we are the clay, and thou our potter; and we all are the work of thy hand." Isaiah 64:8

One of the beautiful examples of prayer that God gives in the Bible is this one in Isaiah. How pleased must God be when we express a similar willingness to be molded by Him! Someone once wisely concluded, "God is more interested in our availability to Him and our dependability in service than in our ability." From the least to the greatest, we can say "Here am I. . . ."
