## Brian's Lines

It is always great to have people join the church and make significant decisions in the evening service. God blessed us with a beautiful service Sunday night, even though our adult choir and families were over at East Brent sharing with their choir in a special program. It was a good day.

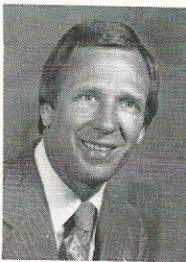

**SPECIAL THANKS TO CHARLOTTE . . .**  
We really did something when we asked Charlotte Martin to come work with us ten years ago. Through her efficiency and skill, she helps to manage the financial matters of the church. Her ability is matched by the beautiful spirit with which she does her work. She is a joy to work with, and we are thankful for ten years of service.

**THE SUNDAY SCHOOL ATTENDANCE . . .** this summer has matched our attendance last summer. The big emphasis last summer, "SSSSS", boosted our attendance then. Our baseball emphasis for this summer has not had quite the same impact, but it has helped us keep the attendance up. Our average during the first 10 Sundays last summer was 1310. Our average during the first 10 Sundays this summer is 1310. These final Sundays in August can help us push above last summer's attendance. I hope to see you in Sunday School Sunday morning.

**THE EMPHASIS THIS SUNDAY NIGHT IS GOING TO BE TERRIFIC . . .** The East Brent choir will join our choir to lead us in worship. The Chisms and the Osbornes will be sharing with us about their mission trip to Ecuador. And following the service, we will have a great time of fellowship in our annual "Bring Your Favorite Dessert Fellowship." We are counting on all of you to bring your favorite dessert and leave it in the kitchen before Sunday night.

**IN ADDITION TO THE REGULAR PROGRAM . . .** with which we begin the fall, we will be doing something special in September. We will be participating in an association-wide Bible distribution emphasis. You will be hearing more about this. We need your help, so when the call for volunteers goes out, be sure to respond positively.

**THIS SUNDAY . . .** I will be preaching only in the morning services. The sermon will be based on the text Matthew 4:1-11 and will be entitled, "Mankind's Universal Problem." I'll see you here for another exciting day.
