The Seagle Say:

LONELINESS . . .

is epidemic. A group of singles gathered with me for a "talk back" session. When asked about the leading problem being faced by singles they responded — loneliness!

It's a pervasive problem. Teens face it. The results — suicide.

Adults face it. The results — depression. Senior adults face it. The results — isolation and a feeling of separation.

THE CHURCH . . .

God's unique people, can never become perpetrators of loneliness. We must become the catalyst for a caring,

concerned,

compassionate family who dispel the clouds of loneliness.

HOW DO . . .

we accomplish such a lofty goal? Simple!

We never allow ourselves the luxury of the "blind spot." I had a fender-bending accident about ten years ago. I never saw the car I pulled in front of. He was in my "blind spot." It taught me a lesson.

Let's eliminate the "blind spots." To do so requires us to:

- organize Sunday School classes to keep close tabs on every member;
- lovingly and patiently minister to those who have dropped out;
- consistently reach beyond ourselves to those who will never become family members unless someone tangibly says — "I care about you!"

MY CHALLENGE?

Keep caring!

Keep calling!

Keep coming!

Keep consistent!

That's who you are, that's how we keep growing a great and vibrant church.

It is pure joy to be your pastor!

CATCH THE VISION!

CONGRATULATIONS

To These Deacons Who Were Elected Monday Night
To Serve as Officers for 1986 - 87.

Sunday School Establishes Outreach As Priority

Beginning with a meeting of our Sunday School Council in August and continuing on through our Preparation Week September 14-16 a program for the 1986-87 year has been presented, discussed and adopted which has "Outreach" for new people in Bible Study as is priority task. The program for the year is built around the theme "The People Challenge - Go . . . Tell . . . Teach" which is the Southern Baptist Sunday School slogan for the year.

Sunday School Director, Hiram Smith, announces that Bill Lee, Jr., has been elected by the church to serve as Outreach Director. He is already pursuing with enthusiasm the task of organization needed for effective Outreach. Outreach goals for the year include an enrollment goal of 2,835 and an average attendance of 1,379. These goals were unanimously approved by our Sunday School Council and during Preparation Week each department and class was asked to establish goals that will help us reach this challenge.

Those who are being enlisted as department outreach leader, class outreach leader and group outreach leaders will hold the keys to the success of this program. Bill Lee will provide training for all who will be involved in Outreach.

When we talk about Outreach, reaching new people for Sunday School, some may think that we are too "numbers" conscious. If we are talking about reaching "numbers" for "numbers sake" this would indeed be true. However, we are seeking to reach "people" for Bible study in order to win "people" to Jesus Christ and help them to grow and develop as members of the body of Christ. This is biblical, spiritual, logical, and more than that, obedient to the mandate of Christ.

FBC PRAYER MINISTRY

"Let all those that seek thee rejoice and be glad in thee: let such as love thy salvation say continually, The Lord by magnified." (Psalm 40:16)

David's prayer for the Lord to be extolled and praised is a beautifully humble one. In our individual walks and collective one as a church we must continue to allow the Lord to be magnified. Then, in allowing our own importance to diminish and God's to increase, we can rest upon God, as David did, when he concluded his prayer by saying, "Although I am poor and needy, yet the Lord thinketh upon me: thou art my help and my deliverer; make no tarrying, O my God." (Psalm 40:17)

INSTRUMENTALISTS NEEDED

In recognition of the 100th Anniversary of the Pensacola Bay Baptists Association, there will be a meeting at First Baptist Church on October 23. Special music will be presented by a mass choir and orchestra made up of singers and instrumentalists from churches in the Bay Association. There is a need for instrumentalists for this special occasion. If you are interested please call Pete Battaglia, Minister of Music at East Brent Baptist Church (477-5812) and give him your name, instrument, etc. There will be a rehearsal at First Baptist at 7:00 P.M. on Monday, October 20, with choir and orchestra.

"PARK AND WALK" PLAN

With attendance booming, the parking lots are full and we face the ongoing problem of having sufficient close-in parking for our elderly and disabled members.

We need to revise the "PARK AND WALK" plan. This plan calls for drivers (who are willing and able) to deposit their passengers at the church building and then drive to a remote parking spot and walk back to the building.

LET'S DO IT — and save the choice, close-in places for those less able to walk!

Church Training Is Discipleship Training

A renewal emphasis on Church Training has already begun at First Baptist, Pensacola, during the month of September. An exciting response to the pastor's class on "Shared Ministry," along with the excellent attendance during preparation for Sunday School activities, has set the pace for the fresh start of the new Church Training Program for 1986-87 which starts October 5.

Our newly-elected Church Training Director, Darriel White, will be assisted by the following General Officers: Assistant Church Training Director, Keith Ellis; Secretary, Olive Rae Napier; Assistant Secretary, Elizabeth Campbell; Promotion Director, Rick Gill; New Member Director, Al Stubblefield; Church Member Training Directors, Dr. Robert and Martha Trotter; Church Leader Training Director, Rodney Taylor; Children's Director, Jackie Benton.

This team of officers will lead out in the three approaches of Church Training to accomplish the task of (1) New Member Training, (2) Membership Training, and (3) Leadership Training.

New Member Orientation will be under the direction of Al Stubblefield and he will be announcing in next week's *Builder* classes which will help new church members to become familiar with the various programs of our church and to give each person an introduction of what we believe, how we operate and how each one may find his place of involvement in the church.

Membership Training will be done through continued groups, short-term groups or individual training. Dr. Robert Trotter and his wife, Martha, will be leading this emphasis which will include continuing groups for each of our age divisions: Adult, Median Adult, Young Marrieds, Singles, College and Career, Middle School, Children and Preschool. (High School youth will be in Choir during Church Training time.)

Leadership Training will be provided through our Church Training programs for all our various programs, ministries, and support services of the church. This phase will be under the direction of Rodney Taylor. Next week's *Builder* will carry a detailed listing and schedule of all provisions of Church Training to begin October 5. Study the schedule to find that which will fit your special need. Plan to be present and enroll in our renewed Church Training Program.
