## The Seagle Say:

EXCITEMENT . . .

deeper than "emotion only" continues. I've never seen anything like it! It's wonderful! Frankly, it's better than that — it's divine.

Before you think I've completely gone off the deep end let's review what's going on.

There's:

- the calling of Gary Garland as our Minister of Education. I think he's among the very top folk in the country. He will put us on the growing side.
- the move toward 1400 in Sunday School. We must organize our classes so that consistency in attendance is a way of life.
- the continuing presence of our Lord in *power* in every service. There's a simple explanation. Prayer cells all over this city are gathering to pray for revival and renewal. The worship services reflect the persistence of prayer. The preaching reflects the intercession of His people.
- the growing sense of unity among the people of God called First Baptist. Our Lord will never be allowed to do a wonderful work among any group polarized for any reason.
- the broadening scope of our ministry. Some exciting plans are being put together by a strong, creative, dedicated staff.

### GARY GARLAND'S . . .

coming will spark a new sense of purpose and excitement as we move toward the future. I'm absolutely certain you will join me in giving the Garlands a warm, personal welcome. You can best do that by:

- praying for them in transition;
- cooperating with him as he develops a total educational program;
- loving and praying for Nancy and the boys as they make the move.

### 1400 . . .

in Bible study is just around the corner. Let's do it because we love the family of Friendly First Baptist!

If you get the idea that Peggie, Mark and I are loving the journey — hold on to it. It's true!

CATCH THE VISION!

## RECEPTION SUNDAY

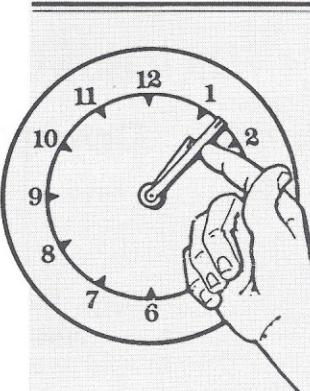

Sunday, October 26, will be Elmer Bailey's final Sunday at First Baptist Pensacola where he has served as Interim Minister of Education since April of this year. Elmer's expertise in Sunday School growth has been a source of value to this church as he has expanded the organization by detailed planning, utilizing new ideas for teaching, creating new departments and maintaining an active plan for visitation

throughout all Sunday School departments. The church family will have an opportunity to say a personal word of thanks to Elmer on Sunday night following the church business conference when a reception will be held in the church dining room in his honor.

Elmer plans to continue his ministry in Memphis, Tennessee, his hometown, where he has been asked to serve as Interim Minister of Education in a church there.

## OUR FAMILY PRAYING

*"Let the words of my mouth, and the meditation of my heart, be acceptable  
in thy sight, O Lord, my strength, and my redeemer."* (Psalm 19:14)

Where do our words come from? Our thoughts. And where do our  
thoughts come from? Whatever our minds and hearts feed upon. Are we  
feeding enough daily upon the Holy Word of God? As we devote more of  
our time feeding upon the Word for our meditations, we will feel more  
of God's strengthening power and guidance.
