Cecil W. Seagle, Pastor  
North Palafox at Jackson Street  
IN OUR 140TH YEAR OF WORSHIP

Vol. XXXIV

April 22, 1987

No. 17

## The Seagle Say:

### OUR FIRST EASTER . . .

in Pensacola has been an incredible experience! The:

- music has been wonderful;
- attendance, staggering;
- feel of family, warm and contagious;
- the sight and smell of Easter lilies, nostalgic.

If you're like me so many of these special events are associated with sight, sound and smell! Easter is just one of those. I am indebted to you for making our first Easter a marvelous and memorable affair.

### BOB MORRISON . . .

and the Sanctuary Choir are to be commended for an impossible job done well. In just a matter of weeks Bob has attempted the impossible — a well-thought-out Easter concert. The music and worship was simply wonderful.

I do not know when I've enjoyed Easter Music more. If this season is a forecast of things to come — look out.

### MY PERSONAL . . .

thanks to the "world's finest choir" and to an excited and committed Minister of Music. I'm so pleased with the response of all of you to all our staff.

### STAFF . . .

is either "made or broken" by cooperative fellowship. I am challenging our entire staff group with excellence. I'm asking them to dream great dreams and to settle for nothing less than that which honors and magnifies Jesus Christ.

They are "dreamers and doers." That combination in our teaching, music leadership will produce a marvelous Christ-honoring program.

### "COMMITTEE FOR . . .

The Future" is vital to our dreaming. They are studying every aspect of church life:

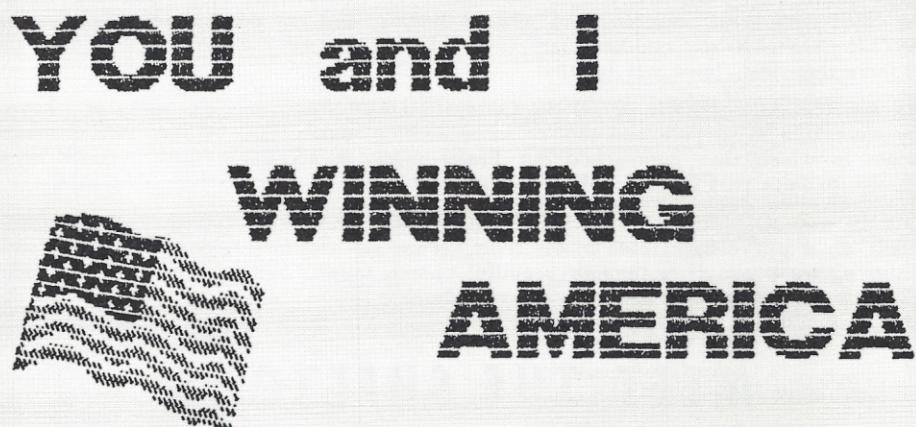

- Future building expansion;
- Education needs;
- Missions and Evangelism;
- Finances;
- Staff development;
- Media;
- Retirement facilities and
- Land acquisition.

The forty-member committee is working hard to put together a plan of advance to year 2000. They need your prayers.

### IN THE MEANTIME . . .

let's move past 1400 in Sunday School.

**CATCH THE VISION!**

*Every Christian must take responsibility for answering the question, "Who will win America?"*

*Forces and causes opposing Christ are working hard to win America - SO MUST WE!*

# MusicNotes

... Bob Morrison

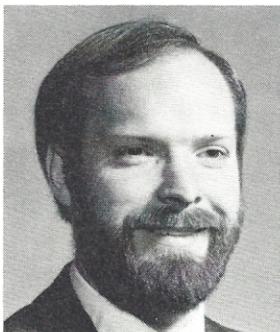

WHAT A GREAT DAY LAST SUNDAY WAS! Our buildings were filled with people studying and exploring the most significant event ever to take place in all of history: the resurrection of Jesus Christ. With it was born not a *religion*, but the *way* through which one achieves an eternal fellowship with God.

THEN CAME TWO MEANINGFUL CELEBRATIONS . . . one in the morning worship time filled with great preaching and jubilant singing, and the other during the evening's *EASTER CONCERT* by our Sanctuary Choir. I was personally moved by the entire day, but more than that, Jesus was uplifted.

THE SANCTUARY CHOIR IS TO BE COMMENDED! From only six weeks of rehearsal, they were able to prepare and deliver some exciting music. The tireless and committed manner in which they approached our Easter music is admirable, and I count myself fortunate to be a part of such a fine group.

NOW IS A GOOD TIME FOR NEW SANCTUARY MEMBERS! If you've ever been in a choir, or, if you've never been in the choir, let me ask you to consider adding your voice to ours as we praise Him through beautiful church music. We rehearse on Wednesdays at 7:00 in the choir room. Hope to see you there!

## MEET THE SHELTONS

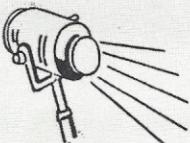

PAUL

LAURA

The church family will have opportunity to hear a message from our furloughing missionaries on Wednesday evening, April 29, 6:15 P.M., in the Sanctuary. The Sheltons are missionaries to Argentina. Paul is a music consultant and Laura assists as a church and home worker. They have two sons, Joshua, 5, and Andrew, 2.

# Church Conference Recommendation

## From

### Committee For The Future and Deacons

#### BACKGROUND:

The leadership and members of First Baptist Church Pensacola have made a strong commitment to reach Pensacola for Christ. To move First Baptist off the plateau, stem the decline in Sunday School and boldly address the growth possibility requires both a creative and cooperative effort. Full information concerning unused space and statistical analysis will be shared Sunday evening, April 26.

#### RECOMMENDATION:

- 1. That First Baptist Church Pensacola begin immediate, intensive preparation and plans to launch two (2) Sunday Schools and two (2) worship services.
- 2. That the hours of teaching and worship remain constant - i.e. -
  - 9:00 - 10:10 A.M.: Sunday School and Worship
  - 10:30 - 11:40 A.M.: Sunday School and Worship
- 3. That the Minister of Education, Gary Garland, along with Sunday School leadership and the Educational Cabinet be instructed to:
  - a). Develop a thorough, intensive, teacher / leader training process for needed expansion;
  - b). Develop the necessary structure to launch a growth-oriented second Sunday School program.
- 4. That the Minister of Education and Sunday School leadership examine all the available space; develop an immediate plan to develop new units to fill the current space; determine the numerical saturation points - then in consultation with the Pastor, Deacons and church family prepare to launch the dual concept when we have saturated current space. It is suggested that 10/1/88 be targeted as a possible saturation point launch date.
- 5. That the Pastor, Minister of Music and Staff thoroughly and thoughtfully plan a comprehensive program of music and ministry to enhance our worship experience.
- 6. That we commit ourselves as church leadership to:
  - a). Pray without ceasing for the concept;
  - b). Work diligently to reach Pensacola for Christ;
  - c). Cooperate totally in establishing an exciting Bible-teaching / people-reaching church.

#### EVALUATION:

The alternative is to launch an ambitious educational building program. The better part of wisdom is to use existing facilities more than once on Sunday morning. Dual Sunday Schools does *not* mean two identical Sunday Schools of the same size. It means organizing a growth Sunday School with all age groups represented at 10:30 A.M. This Sunday School has the possibility of multiplying rather quickly into an equal number Sunday School as this family moves toward the year 2000.

Full information will be shared Sunday evening, April 26, 7:15 P.M.
