## URAWA MISSION

Training is complete. Testimonies have been prepared. Bible lessons have been carefully worked through. Music in English and Japanese has been learned. The calendar has slowly but surely wound down. It's almost time to leave.

The team will depart early October 28, 1987, for Mobile and from Mobile it's a long, long flight to the Orient.

Several imperatives for those of us who remain at home.

\*Daily remember the entire team in prayer. They will have multiplied opportunities to tell others of their faith in our Lord.

\*Pray for Bill Santo as he leads the group in meeting their objectives.

\*Pray for Eddie Benton as he preaches Christ in the Urawa Baptist church.

\*Pray for those who will make decisions because we cared enough to go.

The team is a special, committed troupe. Let's undergird them in prayer.

## Let There Be Praise

*"Enter into His gates with thanksgiving and into His courts with praise." Psalm 100:4a*

## JAPAN MISSION: ON TO URAWA

Off they go into the wild blue yonder. . . . By the time you receive your BUILDER next week, the Japan Mission team will be enroute to Urawa. In the meantime, they have one last week for intensive preparation for their mission venture.

Those making the trip are Bill and Louise Santo, Al and Beverly Tippins, Jean and Bob Askew, James and Shirley Callaway, J. B. and Adelaide Ward, Eddie Benton, Bruce Brock, Brandon Cobb, Frances Hamrick, Frances Horton, Jack Overman, Mary Powell, Barbara Starr, Olivia Swaine, Mary Dean Trotter.

During the days remaining before October 28, the departure date, each one needs the prayers of the congregation for *physical strength, time to complete the details of preparation and packing, and a complete openness to God's guiding presence in their lives.*

Word has been received from Urawa that church members there will be gathering to pray for our group on October 28 at 7:00 P.M. Surely not coincidentally, that is 4:00 A.M. here, the *very hour* at which the vans will begin picking up team members for the first leg of the journey. God's hand at work is marvelous to behold!

Flying Northwest Airlines, the group will leave Mobile at 7:00 A.M., and go through Memphis, Seattle, and Tokyo. They will arrive in Hong Kong 24 hours later at 10:00 P.M. (7:00 A.M. CST). Please pray for *safe travel on each leg of the journey.*

After two days, they will return to Tokyo on Sunday, November 1. That first meeting on Sunday evening when long-distance relationships will be cemented with personal contact will be tremendously important. Pray that God will direct *every word and action* so that the bond of unity in the Gospel will become reality in mission.

Next week's BUILDER will carry a complete schedule of the days in Urawa. **KEEP PRAYING FOR THIS BOLD MISSION!**

**The Seagle Say:**

**THE DEATH . . .**

of a dream is an awesomely awful thing to see. It comes slowly, painfully — frequently without much warning. Those who dreamed, planned, and worked on

the original dream often lapse into nostalgic conversations that remember how it used to be! Those who never shared the dream, never enjoyed formulating the dream are left in a state of dis-ease —

which is within itself a terribly infectious disease.

**EVERY CHURCH . . .**

without exception, will see its dream mature and that dream will either die or be redreamed. Unless something is done quickly — the organization will begin to stagnate, plateau, decline and die.

**RE-DREAMING . . .**

the dream is not optional nor is it without problem. Those in a state of nostalgic remembering will sing a marvelous song titled "We Shall Not Be Moved!" They remember how it was when "Pastor Fling Diddle" was pastor. Others, frightened by what they perceive as creeping paralysis

and eventual death, boomerang to some exotic style of worship or adopt some "cure-all" program that's "avant-garde," creative and "yuppie" oriented.

Soon a polarization comes and the entire church is swallowed in controversy that polarizes people into camps of resistance. The camps soon see a leader/spokesman emerge as the conflicts heats. From there, decline and death instead of healing, wholeness and dream pops to the surface.

**IS THERE . . .**

an escape, a way out? The answer is absolutely yes! The problem with the answer is that it calls the church back to priority and dream.

The problem is that His dream requires persistent, "sweaty," hard work. The dream demands we establish forever the priority of enlisting, winning, sharing Christ with unsaved and unchurched people. The dream must once again struggle with the how 'til we've re-dreamed it — then recommitted ourselves to it.

We're re-dreaming it at Pensacola First. I'm not certain at this point about commitment to His dream and our mandate. The signs look promising. Those signs are not, however, clear. Help me clarify our communication as well as our commitment.

## BIBLES FOR JAPAN

In addition to praying for the Japan Mission Team, individuals or groups may want to contribute to literature for the mission trip. The example has been set for Pensacola FBC by the First Baptist Church of Mt. Morris, Michigan.

Members of this small church, in which team member Bruce Brock grew up, wanted to be part of this Bold Mission effort. They have sent \$320, which will purchase 64 Bibles at \$5 each.

Surely the support of these fellow Christians is a challenge to our congregation to go the second mile and give similar assistance.
